ROSEBURG AIR RAID ALARM TEST SLATED FOR TOMORROW

A thorough test of the volume strength of Roseburg's air raid alarm system will be made tomorrow, with a view of working out protection for any areas not thoroughly covered. R. L. Gile, civilian defense commander for the city of Roseburg, reported today. Due to the expense that would be involved in changing the location of the sirens and setting up new control systems, it is planned, he stated, to leave the sirens on top of the city hall as at present. Efforts will be made to increase volume strength by adjustments but the main purpose of the test, it is stated, will be to determine any areas in which the alarm cannot be heard with sufficient warning volume. Steps then will be taken to provide a warning system for such areas, probably through use of automobiles equipped with sirens, which will be assigned to each of the so-called blind spots.

Residents of the city are advised that the tests are to be made during the noon hour Wednesday and that no concern need be felt when the signals are sounded at that time.

Vacationing Here.—Mr. and Mrs. Kenneth Pickens, of Oakland, Calif., have arrived in Roseburg to spend two or three weeks vacationing and visiting the latter's mother, Mrs. Ruby Fickenscher, and the former's mother, Mrs. J. Earl Pickens, and other relatives as well as friends.

Spending Honeymoon Here.—Mr. and Mrs. Forrest Beal, of La Jolla, Calif., are spending their honeymoon at Nika lodge, the Thomas Wharton summer home on the North Umpqua near Glide. Mrs. Beal was formerly Hazel Kuykendall and made her home here for a number of years before moving to California.

Return From Vacation.—Mrs. J. A. Hart and daughter, Miss Gladys, have returned to their home on South Stephens street, following a week's vacation visiting relatives and friends in Tacoma and Seattle. Miss Gladys returned to her work at the Douglas National bank yesterday.

Leaves For Eugene.—Mrs. Bernard Young and baby son, Bernard, Jr., of San Francisco, have left for Eugene to visit the former's parents, Dr. and Mrs. W. E. Buchanan, Sr., following a week's stay in this city visiting her parents-in-law, Mr. and Mrs. A. J. Young, on Flint street. Mrs. Young, with her baby, plan to leave Eugene the last of the month for Klamath Falls, where they will be met by Mr. Young, who will take them back to San Francisco.
