

Portland Twice Defeats Oakland By 1 Run Margins

(By The Associated Press)
The Portland Beavers are apparently tired of running along behind the Pacific Coast league baseball pack.

The inspiration of playing before home fans may have something to do with it, but whatever the explanation, the Beavers are making their bid to finish the season out of the cellar.

Last night, the Portlanders nosed out Oakland by one-run margins in two abbreviated games. The first game went seven innings and ended 3 to 2, while the second contest ended in the fifth, 8 to 7, because of the league rule that forbids starting an inning of play after 11:50 p. m.

Oakland collected nine safeties off Liska in the opener as Phippen held the Beavers to five hits, but the breaks were with the winners.

Portland batters recovered in the second game to pound out four hits for a five-run lead in the first inning. In all the Beavers collected 11 hits to 10 for the Oaks, who nearly won out in a last inning rally in which they scored three runs on five hits.

Other One-run Margins
Each of the other league games were decided by one-run margins.

The second-place Los Angeles Angels used a four-run rally in the fifth to nose out the Sacramento Solons, league pacemakers, 6 to 5. The win put the Angels within a game and one half of the Solons.

San Diego, playing at San Francisco, also outthrew the Seals 9 safeties to 7, but dropped a decision 3 to 2 as the host team took advantage of a few lucky breaks.

Hollywood was kept idle by a postponement at Seattle, but the teams make up the lost game in a doubleheader tonight.

Superior Pitching Wins 2 Games But Fails in 2 Others

Ray Starr of the Cincinnati Reds yesterday pitched three-hit ball and was beaten 2-1 by the Phils because two outfielders collided under a fly hit by Pitcher Melton and the ball fell for a home run.

On the other hand Olsen, the Chicago Cubs' southpaw, was pummeled for 11 hits by the New York Giants and not only escaped with his sixth straight victory but scored a shutout, 3-0.

The Giants got men on base in every inning and made hits in the first eight, but they never were able to break through Olsen for a run.

At St. Louis Mort Cooper had luck of a different sort. He was batted out of the box for the third time in succession, but the Cardinals rallied spectacularly to beat the Boston Braves, 7-5, in 11 innings and wipe out what would have been Cooper's fifth setback.

Brooklyn punished the Pittsburgh Pirates 5-1 with Wyatt pitching through his ball for his tenth triumph of the year.

In the American league, the New York Yankees downed the

Sutherland Pitcher Misses 0-0 Win by Mishap to Fielder

An outfield accident Sunday robbed Howard Applegate, of Roseburg, pitcher for the Sutherland Merchants of the Cascade league, of a no-hit, no-run game as the Merchants defeated the Springfield Cardinals 8 to 0 in a baseball game at Springfield.

Applegate, who was a member of the U. of O. freshman baseball team this spring, went into the ninth inning of Sunday's game without having permitted a hit, giving only one walk while striking out nine opposing batters.

Two were out and only one more put-out was required to put Applegate in the pitcher's hall of fame when Lee Hufford, Cardinal catcher, lifted a high fly ball to the outfield. Wayne Rice, left fielder, racing for the catch, stumbled and fell and the score credited Hufford with a hit, which robbed Applegate of his "No-No" game.

Other scores Sunday were Springfield C. I. O. 10, Vaughn 6; Gustina Reds 3, Lewis Lumbermen 0.

Summer Bowling Season Is Ended

The final round of the summer scratch bowling league was played last night with the team sponsored by Cecil Black finishing in first place. The summer league was composed of four teams each with four bowlers, and play was without handicaps.

The mixed doubles league ended its season last week.

Payoff for both leagues will be held at the Roseburg Alleys tonight.

The bowling alleys will be closed after tonight for reconditioning, Floyd Baughman, owner, reports. The alleys are resurfaced annually, the work being done by a licensed operator as required by the rules of the American Bowling Congress, with which the Roseburg leagues are affiliated.

It is expected that the alleys will reopen within 10 days or two weeks, when preparations will be started for the fall and winter league seasons.

Following are the final standings of the scratch league:
