

Red Sox, Detroit Lose in Spite of Superior Hurling

By JUDSON BAILEY
(Associated Press Sports Writer)
The Boston Red Sox were shut out 2-0 yesterday by Ross of the Chicago White Sox although they made the magnificent total of five hits, one more than Chicago collected off Wagner. However, one of Chicago's blows was a two-run double by Appling in the sixth inning.

The Detroit Tigers were tamed 2-1 by the Washington Senators on the five-hit hurling of Hudson. Here again the winners were kept in check by the losing pitcher, Washington-getting just eight hits off Bridges, but one of them was a two-run homer by Cullenbine.

Meanwhile the New York Yankees squeezed to their 11th consecutive victory and extended their American league lead to 12 full games by blasting across four unearned runs in the tenth inning to beat the Cleveland Indians 5-1.

Yankees Win in 12th.
Joe DiMaggio's hitting streak was stopped at 18 games by Miller, but Hemsley made four hits, including two doubles, and Kel-

ler hit his 12th home run. This was the Yankees' only score till the overtime of the eighth.

The St. Louis Browns blew a 6-0 lead attained in the first four frames and lost an 11-8 decision to the Philadelphia Athletics.

In the National league, the Brooklyn Dodgers disposed of the Cincinnati Reds without trouble, 5-1, with Higbe pitching five-hit ball and he and his teammates tagging Starr and Thompson twice that many.

This kept the Dodgers six and a half games ahead of the St. Louis Cardinals, who slammed out a 7-0 victory over the Philadelphia Phils.

The Chicago Cubs evened their score with the Boston Braves in the day's other game as Passeau pitched a masterful two-hitter for a 2-1 verdict. It was Passeau's 14th triumph of the year.

Rainiers Win 2nd Straight Battle From Portland

(By the Associated Press)
Newly established in third place, the Seattle Rainiers won their second straight game from Portland, 4 to 2, last night but the victory was costly, for catcher Bob Collins suffered a broken finger in attempting to handle a foul tip.

The Rainiers combed Liska for 10 hits while Guay yielded six safeties.

San Francisco trounced Oakland, 6 to 1, the same score by which the Seals lost to the Oaks on the previous night.

Joyce turned out a six-hitter, a sharp contrast to the Seals' pitching of Tuesday, when Gibson was belted from the box with a six-hit, six-run blast in the opening frame.

The win kept the San Francisco team in a tie for fourth with the San Diego Padres, who also came back after a loss to defeat Sacramento, 7 to 4.

Los Angeles continued its league-leading pace with a 3 to 1 win over Hollywood. The Angels have won their last 14 efforts.

Gehrman yielded six hits, but the single Star tally came in on two Angel errors in the fourth.

The Angels collected nine safeties off Gay and one hit off Will Thomas who relieved in the ninth.

Softball League Of Boys 10 to 15 Is Planned Here

All boys between the ages of 10 and 15 years who would like to play softball are urged by Al Flegel, local Texaco dealer, to be at Finlay field at 7:30 o'clock this evening. Flegel, assisted by E. S. Mc Clain and Marshall Penner, is planning to organize a Pee-Wee softball league, in the event enough boys are interested.

It is planned, Flegel reports, to organize two groups, one consisting of boys from 10 to 12 years of age and the other of boys from 12 to 15 years. These groups, in turn, will be divided into teams which will play regularly scheduled league games.

Boys who have had no previous experience in softball are particularly invited to participate. Flegel states, as special instruction will be provided for beginners.

Those desiring to participate are advised that it will be necessary for them to furnish their own gloves. Balls, bats and protective equipment will be furnished by the sponsors.

Visiting in Portland—Mrs. J. H. Carnes and daughter, Miss Carol, of Glengary, are spending several days in Portland visiting.

Alleyemen Defeat Boucock's; Game Goes Extra Frame

The Roseburg Alleyemen continued a winning streak by handing the previously unbeaten Boucock Butchers a 6 to 5 defeat in an extra inning softball game at Finlay field last night. The league game was played before the largest crowd so far this season. Attendance at games, however, has been below last year, despite the fact that no admission is being charged.

The Alleyemen trailed 5 to 1 in the fourth inning when Al Merritt took over the mound duties and held the Butchers to three hits for the balance of the game. Meanwhile, the Alleyemen were

pecking away at the offerings of Jay Shinn, and managed to tie the score in the last half of the seventh inning, forcing the contest into an extra frame.

In the last of the eighth, a single by Phillips scored Glenz with the winning run after the bases had been filled and two were out.

A. Hammond, Hendricks and Bruton each had two hits for the Butchers, while Baughman, Glenz, Applegate and Solomon had two hits apiece for the winners.

Score: R. H. E. Roseburg Alleyemen 6 12 4 Boucock's 5 9 2 Applegate, Merritt (4) and Glenz; Shinn and Morgan.

this handy booklet of CANNING JAR LABELS

Each book contains 30 gummed labels—ready to help you put up fruit with your allotment of sugar for canning

THIS USEFUL LITTLE BOOK is a gift from your grocer and Spreckels Honey Dew Sugar. You need not make special purchases to get it—just ask your grocer.

Home fruit canning is patriotic this summer. Our Government is allotting extra sugar for canning because it conserves fruit, improves family nutrition. You obtain this extra sugar for canning by applying to your local ration board.

Sugar is rationed in the U. S. today so that, from our reduced supply, we may share sugar with our allies—and also turn sugar

into bullets, shells and torpedoes needed to win the war.

But we Americans will never go without sugar. An increasing part of our sugar is now grown and processed right here in the West—inside our own America. It is the good beet sugar no enemy can touch. The sugar that needs no ships.

This home-grown sugar is as sweet and pure and wholesome as any sugar you can buy. It is ideal for table use, for cooking and canning. You'll find it at your grocer's now, with all the other supplies you'll be needing.
