Is your child a NOSE PICKER?

It may be more than just a nasty habit! It may be a sign of worms. Yes, ugly crawling roundworms inside your child! Other warning signs are: "finicky" appetite, crankiness, itching in certain parts. These bowel worms can cause real trouble! If you even suspect your child has them, get JAYNE'S VERMIFUGE right away! JAYNE'S is America's leading proprietary worm medicine; scientifically tested and used by millions for over a century. It expels stubborn worms, yet acts very gently. If no worms are there, JAYNE'S works merely as a mild laxative. Be sure you get JAYNE'S VERMIFUGE!
