

Dodgers, Cardinals Split Twin Bill; French is Routed

By JUDSON BAILEY (Associated Press Sports Writer) The Brooklyn Dodgers and St. Louis Cardinals came to grips yesterday in what was expected to be a desperate doubleheader, with the National league champions striving to hold their seven-game lead and the Redbirds making what might be their last challenge.

So what happened? The two titans stumbled around for six hours and split the bill, settling nothing in particular.

Brooklyn won the first game, 7-6. Each team made three errors and all of the Dodgers' runs were unearned except a homer by Rizzo in the eighth inning that decided the outcome. The Dodgers drove Lefty White to cover with five runs in the first, but the Cardinals kept chipping away till they tied at six-all and chased Larry French to the showers in the sixth inning. Curt Davis received credit for the victory, his tenth.

The nightcap was interrupted for half an hour by weather in the third chapter while Higbe was leading Lanier 1-0. Later the Cards scored seven runs in the seventh inning and won 9-1, getting 16 hits to Brooklyn's six.

Browns' Streak Halted
The Washington Senators made seven errors but stopped the St. Louis Browns 9-4. The Browns, who had won 15 of their previous 18 games, were held to six hits by Carrasquel, but had 14 men left on base.

The Boston Red Sox inflated their second place margin to two full games by beating the Cleveland Indians again 3-1 with all their runs coming on Lupien's double with the bases loaded in the second inning.

Yankee Bats Busy
At Chicago Lefty Ed Smith absorbed his 17th shelling as the New York Yankees overpowered the White Sox 8-3 with Dimaggio, Keller and Gordon hitting home runs. Dimaggio also hit a triple and two singles, good for three runs, and Gordon's circuit clout came with two aboard.

At New York the Giants swept a doubleheader from the Chicago Cubs 9-5 and 3-0. In the second game Schumacher pitched three-hit shutout ball to beat the four-hit hurling of Schmitz and Pressnell.

Reds Win Twin Bill
The Cincinnati Reds took both ends of a doubleheader from the Phils 8-1 and 3-1. Vander Meer allowed only two hits in the opener, one of them a homer by Stan Benjamin on the first pitch and the other a single by Bragan with two out in the ninth. Starr hurled a five-hitter in the second game to get his 13th victory.

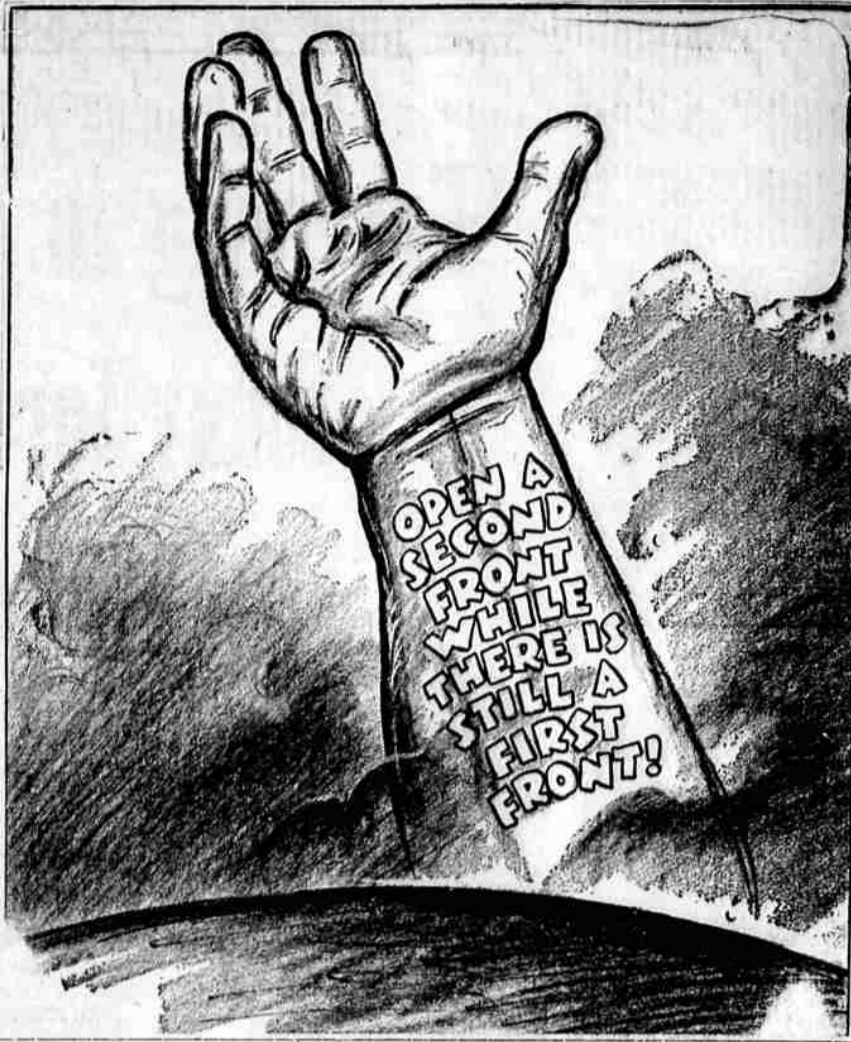

At Boston Sam, making his first start for the Braves, hurled three-hit ball for eight innings and then let the Pittsburgh Pirates tie the score at three all in the ninth. The Braves won 4-3 when Fernandez bunted with the bases loaded to squeeze across the deciding run.

Bus Company Asks Court Aid to End Dispute on Wages

SAN FRANCISCO, July 29.—(AP)—Declaring 1,300 of its union employees were voting secretly on a proposal to suspend work in seven states, the Pacific Greyhound Bus company asked a San Francisco court yesterday to help settle a wage arbitration dispute. The dispute centered around demands of the union for amendment of the present working agreement and arbitration of new wage scales. Company spokesmen said the current contract would expire August 31, and that they wanted to negotiate an entirely new contract to replace it. Pacific Greyhound lines involved in the dispute extend through Oregon, California, Nevada, Utah, Arizona, New Mexico and Texas. F. W. Ackerman, vice-president declared the company went to court only after discovering the members of the union, the AFL Amalgamated Association of Street, Electric Railway and Motor Coach Employees of America, were voting on a proposal to call a work suspension after August 2. Two union spokesmen, Chairman R. W. Hasselman and Secretary Charles W. Riley, declared that the company in turning down arbitration proposals was violating the present agreement.

Hongkong Reduced To Ghost Town By Jap Occupation

LOURENCO MARQUES, Portuguese East Africa, July 25.—(de-layed)—(AP)—Hongkong, once the "opulent Pearl of the Orient" has been reduced to a ghost town in the months since the Pacific explosion of last December. Some 1,000,000 Chinese have been starved to such a point that the whole town has a wraithlike appearance. The four horsemen have ridden roughshod over the once-smiling Riviera of the far east, and now famine, pestilence and destruction of physical and moral values stalk the former British crown colony. The Japanese conquerors, realizing the increasing gravity of the internal situation, are doing their utmost to evacuate poorer Chinese residents to country districts of Kwangtung, Kwangsi, and Fukien province, but are unable to remove sufficiently large numbers in time to cheat death. It is estimated that thus far 500,000 have left of their own volition or by compulsion, but 1,000,000 who remain face an increasingly bitter struggle for life. Isolation of Hongkong island through rupture of all former trade routes, including those supplying fruits and vegetables from the mainland, has caused famine-like conditions. Rice costs eight times the former price, and many other commodities are ten or 20 times as costly as they were. Owing to the virtual cessation of business, Chinese are flocking to public rice queues in mounting numbers, although the cheap stocks distributed are utterly inadequate.

Choosing of New OSC President Again Deferred

PORTLAND, July 29.—(AP)—The last scheduled meeting of the state board of higher education before September 9 was adjourned yesterday without the naming of a new president for Oregon State college to fill a vacancy existing since last September. President Willard L. Marks declined following the meeting to comment on the situation further than to say that progress is being made. Asked whether a special meeting would be called, he declined to add further to his first statement. It was apparent that the board members had held one or more discussions on the matter this time, but whether any tentative agreement had been reached was not revealed. There has been no announcement of the names of candidates. The position has been vacant since the resignation last September of Frank L. Ballard, whose health broke several months after he took over the presidency in July, 1940. Dr. F. A. Gillfillan, dean of the school of science, served during President Ballard's illness as head of an administrative committee and was appointed acting president last September on President Ballard's resignation.

SEATTLE, July 28.—(AP)—Letters to prisoners of war and civil internees in the far east may be addressed directly to the person, if the name of the prison camp is known, and if not should be sent c/o Japanese Red Cross, Tokyo, with a note such as (formerly of Wake Island) under the person's name. Furthermore, the 13th naval district disclosed today, such a letter should carry the notation "prisoners of war correspondence" in the upper left hand corner, and "via Chicago, Illinois" under the address.
