The Fire Maker

To reduce if not entirely eliminate fires, especially forest fires, caused by man is the avowed task of the Keep Oregon Green association.

The cigarette is the foe of the K. O. G.'s. They know how dangerous a fire setter the little burning cylinder is.

Studies made by the Bureau of Standards concerning the cigarette fire problem show striking facts which are of interest to all.

On a dried grass pad with a wind of three miles per hour, 85.3 per cent of the cigarettes ignited the grass.

The studies by the bureau further showed that cigar butts go out in 2.3 to 5.17 minutes.

With 54,000 cigarettes thrown away every second, and 19 out of 20 of them ready for the beginning of another forest fire if they land in the woods the forester does have something to be concerned about.

continent. Shortly afterward word came from London that all the chief objectives have been achieved but that FIGHTING IS STILL GOING ON as night approaches.

One suspects that what the allied high command wants to know above everything else is whether the combined British and American air forces can protect an invasion force ALL DAY LONG, so that fresh landings can be made under the cover of darkness during the second night.

THE big naval battle that is believed to be brewing in the South Seas hasn't yet materialized. At least there is no word of it.

THE navy lists another Jap cruiser or destroyer—the circumstances are such that it can't be identified exactly—has been sunk by a U. S. submarine in the western Aleutians, bringing to 23 the total of Jap ships lost so far in the Aleutian adventure.

Wyatt of Dodgers Beats Giants on One-Hit Hurling

By AUSTIN BEALMEAR (Associated Press Sports Writer) The Brooklyn Dodgers still have a little matter to settle with the St. Louis Cardinals before they will be ready for the World series, but their ace right-hander, Wyatt, is as fully prepared for the October classic today as he can be.

Wyatt, who never has pitched a no-hit game in his dozen years around the major leagues, came as close as possible without actually achieving it yesterday when he let the New York Giants down with one blow as the Dodgers triumphed, 2-1.

The victory, opening an important four-game series, boosted the Dodgers' National league lead to seven games over the Cardinals, who were idle.

In the only other national league game, the Cincinnati Reds snapped a six-game losing streak and crept up on the third-place Giants by turning back the Pittsburgh Pirates, 5-3.

The Boston Red Sox, refusing to concede the American league flag to New York's front-running defending champs, walloped the Yankees, 7-4, and rounded out a four-game series with three triumphs.

At the other end of the junior circuit, the Philadelphia Athletics took a doubleheader in their color series with the Washington Senators. A 17-hit attack on three Washington pitchers gave the Athletics the opener, 9-2, and sent New York to its 18th defeat as Christopher hurried seven-hit ball for Philadelphia.

Exam Billed Here Emphasizes Need Of Stenographers

Stenographers and typists are so urgently needed for expanding war agencies in Washington, D. C., that failure immediately to obtain the needed number will seriously handicap the war effort.

An examination will be given Saturday morning at 9 o'clock in the junior high school for all interested in an immediate appointment at a starting salary of \$1440 a year.

Concerning the NORTHWEST As Viewed at the National Capitol By John W. Kelly

WASHINGTON, D. C., Aug. 21.—Food requirements committee, set-up in the department of agriculture, has been in a huddle on the meat situation and whispers that meat will in all probability be rationed in a matter of months.

The committee in the department of agriculture is seeking data on the amount of meat requirements of army and navy under the lend-lease act.

Principal shortage now is beef and pork. There is discussion of placing a ceiling on livestock, a subject which aroused acrimonious debate in congress when the office of price administration was being considered.
