RED CROSS NEEDS MORE WOMEN TO SEW FOR ORGANIZATION

Mrs. Dexter Rice, who has charge of the American Red Cross sewing, is urging every woman in the county to assist with some sort of sewing for the Red Cross organization. A large number of organizations are sending representatives to the Red Cross rooms one day a week to sew from 10 to 4 o'clock. According to Mrs. Rice, what is needed urgently at this time, is for more women to do sewing in their homes. Anyone who can help with this work has been asked to call at the Red Cross rooms (upstairs in the U. S. National Bank building) and get sewing materials to take home with them to complete. A great amount of sewing is required and it is the women of this country, who will accomplish this major task. Anyone, who can knit, is also urged to help by making knitted garments.
