HIGH SCHOOL GIRLS NOW REGISTERING FOR HOME NURSING CLASS

The first Red Cross Home Nursing class started in the fall of 1942 at the Roseburg Senior high school has just been completed and now registration are being taken for a second class in the course. Mothers of senior high school girls are being urged to encourage their daughters to take this very interesting and valuable course in Home Nursing. In cases of emergency, more and more women and girls will be called upon to do their part in their respective communities and the greater number of young women, as well as adults are being asked to take this very fine opportunity of taking this course offered by the American Red Cross.

The class, which just completed the course, is reported to have done excellent work and all members passed the examination with fine marks, according to an announcement made this week by Mrs. J. R. Wharton, Douglas county home nursing chairman, who issued certificates to the girls completing the course at an assembly meeting at the high school Friday. Mrs. Wharton issued certificates to: Yvonne Boor, Ruth Boyington, Ann Boyer, Pauline Caskey, Willene Lucelyn, Carla McCowan, Rachel Parkhurst, Arlene Pratt, Ruth Ann Ruhl, Juanita Sabala, Maxine Sutton, Helen Wand, Emma Winniford and Ruth Hansen.

Following the awarding of the certificates, Mrs. Grant H. Moore, instructor of the high school home nursing class, gave a short talk. Mrs. Moore, a registered nurse, is an exceptionally fine teacher and those having taken

the course under her direction report that the knowledge they have learned will be of great benefit to them in their respective homes and will hold them in good stead in case of any war emergency or epidemic in the community.

All high school girls interested in taking this course, are asked to register just as soon as possible this week.

I LIKE THE BREAD THAT'S BETTER THREE WAYS!*

YES, M'AM! IT'S EASIER TO SLICE AND TO SPREAD...AND IT'S NOURISHING TO SERVE!

Have YOU Tried the New . . . Improved Williams' Bread?

YOU WANT THESE THREE FEATURES

***Easy to Slice:**
Tender-crisped and even-textured . . . That's why you get such beautifully smooth-cut slices.

***Easy to Spread:**
Fine, even grain that doesn't roll up crumbs beneath the knife blade.

***Nourishing to Serve:**
Enriched with extra supply of morale-building Vitamin B₁, Niacin (another B-Vitamin) and Iron.

Quality always stands out! Even though Uncle Sam's War Order standardize certain processes of bread baking, there's still plenty of difference in the loaves you can buy. We started development of this finer unsliced bread months ago—cooperating with a world-famous cereal laboratory in anticipation that the order would come. That's why this bread is better . . . more convenient to use . . . tastier and more nourishing. Try it TODAY!
