Two basketball games, which may decide final leadership in the Southern Oregon High School conference will be played Friday and Saturday nights at the local senior high school gym nasium between the Roseburg in dians and the Grants Pass Cavi-men. Grants Pass is undefeate so far this season while the Ir dians have lost two games, both to Ashland. The Indians, by win-hing both games from Grants Pass, could go back into a tie for first place and would still have a chance at the conference title. Two 4more victories by Grants Pass, however, would practically issure the Cavemen of the top spot permanently.

The Indians will be playing a very strong team, which 'ncludes a former Roseburg player, Neil Schrimpf, who is one of the prin-ripal scorers of the Grants Pass.
