DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

When Calvin Coolidge was suddenly called to assume the duties of the presidency of the United States, he became a changed man. He felt his unworthiness to hold so high an office. He wanted to be more worthy than he found himself to be. He had always been a believer, but had never publicly confessed Christ. He immediately declared his intention of doing so. He soon affiliated with the church, submitting to the rites of that body. His ambition was to walk worthy of his high calling as president of the greatest nation in all the world. When we as Christians begin to meditate upon the position to which we are called in Christ Jesus, we are humbled, and feel our unworthiness. We have been called from sin to salvation, from death unto life, from the kingdom of darkness into the kingdom of light, from a state of condemnation to a state of justification. Called to be sons of God, called to be saints, called to a citizenship in heaven, called to a life of royal service. So we must walk worthy of the vocation wherewith we are called. Amen.
