Huskies Defeat O. S. C. Quintet to Annex Zone Title

(By the Associated Press)

The University of Washington clinched its first northern division coast conference basketball title in seven years and earned the right to meet Southern California next week for the coast title by trouncing the defending champions, Oregon State, 53 to 33, last night.

The Huskies, playing on their home floor ran up a 29-11 first half advantage which completely froze out the visitors.

Meanwhile, at Moscow, Washington State barely managed to edge out a fighting University of Idaho team, which, minus its star center, Fred Quinn, put up one of its best games of the season to hold W. S. C. to a 40-35 win. Idaho led 22 to 17 at the half.

The long range shooting of Forward Boody Gilbertson and Guard Wally Leask of Washington completely demoralized the Oregon State defense. Gilbertson flung in nine points in the first six minutes to give the university a 30 point advantage and then Leask dropped in four from the center of the floor before the half was over. Leask counted another long one and three medium-range ones in the second half to take scoring honors with 18 points.

Don Cecil, Oregon State forward, topped his squad with nine points.

In the Moscow game, which had no bearing on the championship, W. S. C.'s ace, Gail Bishop set a new northern division scoring record of 201 points for the season by racking up 17 points to pull his club from behind.

Bishop's two last minute baskets saved the game for W. S. C. and cheated the Vandals, who played without a substitution, of what seemed to be a sure victory—their second of the season.
