- When our costs exceeded our selling prices, we still took it on the chin, hoping for relief—

Inability to replace equipment and a more serious help problem, coupled with a lack of relief in the matter of OPA prices, make it necessary to announce

RED CROSS NEWS STORY STARTS RIGHT AT HOME

NYACK, N. Y. (AP) Actress Helen Hayes, as chairman of Nyack's Red Cross war fund drive, suggested a local newspaper story describing how the Red Cross keeps people in touch with relatives in enemy or occupied countries.

One letter in the Red Cross files, a Nyack reporter discovered, had been undelivered. Written in Berlin last October, it bore the address "North Broadway, Nyack, N. Y." but the name was indecipherable. So the reporter had the letter translated, and it appeared in The Nyack Journal-News.

Next day the addressee came in to claim the letter. She was Helen Hayes' cook.

Myrtle Creek

Joan Jones drove to Eugene on Thursday of last week to meet her parents, Mr. and Mrs. H. E. Jones, who were returning from Arizona where they had gone in hopes that Mr. Jones' health might be improved in the south-ern climate and sunshine.

Huey Van Horn who has been working at Sweet Home, came home last week for a visit with his family.

The church services at the local Church of Christ last Sunday was very interesting as well as colorful and touching. A beautiful service flag was unveiled and the names of the men for whom the stars stood were read and their rank was given by a kinsman or friend and a candle was also lighted for each man. Up to date there are 74 stars on the flag. These men are scattered all over the globe from Africa to all the islands of the Atlantic and to the southern Pacific and Australia.

News of 4-H CLUBS

One of the highlights in the 4-H program of the year is 4-H Marketing day, which provides a program as a climax to the 4-H marketing project. This project is carried each year by most of the eighth graders of the county. Following the completion of the project, the Roseburg Chamber of Commerce sponsors an educational and fun program for all those who complete.

This year arrangements have been made for the members to meet at 8:30 Saturday morning, April 10, in the show room of Lockwood Motors. Beginning at 8:30, this group will be organized into smaller groups and sent with leaders on educational tours. Each group will be on a tour of its own until nearly noon.

Tours will include visits to the local banks, offices of the court-house, some places of business and the United States Weather bureau. No lunch will be served this year at noon. The members are either bringing their own or money to buy lunch with. In the afternoon, all the members and their leaders are to be guests of Mr. Don Radabaugh and in either theater. Some time during the afternoon there will be "treats" for the different groups. In all probability they will be overtaken somewhere in their tours and time taken out to drink some pop or eat a candy bar.

As soon as the show is over the group members will meet with their respective leaders and start their return trip home at the time appointed.

Club members carrying home economics projects such as home-making, clothing, cookery, room improvement, arts and crafts and boys carrying woodworking projects, will be glad to know the judging of all these exhibits is to be done early in May. The same judges as were here last year are returning again this season.

They are Miss Maryolive Snarr and Mary Helen Alexander. Arrangements will be made for the exhibits to be taken to the school center where the scoring will be done. No members will be allowed in the exhibit room at the time of the judging but all will be called in to listen to explanations immediately after judging. Premiums will be paid and ribbons presented at that time.
