DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Oh, do not pray for easy lives, pray to be stronger men, do not pray for tasks equal to your power, but pray for power equal to your task. Every day you shall wonder at life that has come to you. "Unto me was given power that I should preach the unsearchable riches of Christ." St. Paul said he was given this power, and not only to him, but to all whom God calls. We truly witness to the power that is given us only if we live so that all around us may see what is meant by the unsearchable riches of Christ which is the glowing spirit of Christ living in us constantly. Just as truly as when He passed through Samaria, should those who see us from day to day come to feel that we have heard him ourselves, and know that this is indeed the Christ the Savior of the world, because we preach Christ by the radiation of His spirit as we pass by. Every victory we possess and every conquest won are His alone. Extremely difficult, but possible, because "my grace is sufficient for thee." God never calls for service without standing by the "so I am with you always, even unto the end of the world." God's promises never fail. He always keeps His covenant with man and He is the same yesterday, today and forever. Amen.

This is Easter Time...

Now millions of Americans reaffirm their faith in truth, justice and mercy

But This Easter is Different...

If this were the Easter of other years, we would talk about the Easter Parade: new bonnets, smart dresses, trim suits, gay shoes, colorful handbags... spring outfits for every member of the family.

Of course we have all these things. But in assembling this Easter's wardrobes for American families everywhere, we kept in sight every moment, the wartime job the Home Front has to do.

Every Easter Outfit Has Become a Uniform!

THE HOME FRONT UNIFORM IS EVERYTHING YOU WEAR!

It is seen in many different styles and colors. It may be a dress or a pair of slacks and a sport shirt. It may be a skirt and blouse, or an overall, or a gabardine suit.

It is whatever kind and type of apparel is most comfortable and long-wearing... most fitting and becoming... most helpful and economical for the particular job you have to do.

THE HOME FRONT JOB IS EVERYWHERE!

In the church, in the school... in the factory and the shipyard... on the farm and the assembly line... in the store and the home.

THE HOME FRONT WORKER IS EVERYBODY!

Your son Joe... and your daughter Mary... your husband Sam... your neighbors Ann and Henry, and you, yourself!

FOR FORTY-ONE YEARS PENNEY STORES, FROM COAST TO COAST, HAVE BEEN OUTFITTING THIRTY AMERICAN FAMILIES—JUST AS THEY ARE DOING TODAY!

The knowledge and the skill gained from our long experience of low-cost, neighborly storekeeping, stand America in good stead today.

For now, more than ever, Mr. Penney's original idea of "Not How Much Can I Get" but "How Much Can I Give" is proving its soundness and value. Your local Penney store sells hats and coats and dresses for you and your children. It sells shoes and

hosiery and underwear for every member of your family. It sells slacks and sweaters and shirts for men and boys of all ages.

In fact, it sells every item of apparel you can think of, as well as sheets, blankets, yard goods, curtains and similar things for the home.

Altogether your Penney store is helping in many vital ways to quartermaster the Home Front.

PENNEY'S SPECIALIZES IN LOW COST DISTRIBUTION! Your J. C. Penney store is part of a nation-wide business that brings to each community, at the very lowest possible cost, things produced in all sections of the United States. It does for millions on the Home Front, what the Services of Supply do for millions on the battle front.
