4 Shutouts Mark Opening Games In Major Leagues

Vander Meer Blanks St. Louis Champions in Eleven-Inning Mound Duel With Cooper

(By the Associated Press)

If opening day in the major leagues was any criterion, this may be the greatest pitchers' year in baseball history.

Four games, four shutouts, two of them 1-0, one of them 11 innings! Weather conditions permitted only half of the eight scheduled inaugural games to be played yesterday, and held down attendance at these contests to 55,021 fans, but classic pitching made the day worth remembering.

Looking at the day's business in composite there was a total of only 11 runs, 42 hits of which just nine were for more than one base, and up until the seventh inning there had been but three runs scored.

The most magnificent mound show was given in Cincinnati, where Johnny Vander Meer and Mort Cooper duelled for 11 innings before the Reds finally squeezed in front of the world champion St. Louis Cardinals 1-0.

Vander Meer, who could look forward to his greatest year if he were not awaiting a call for induction, held the Cardinals to two hits, both of them singles in the first three innings. In one superb stretch he retired 21 consecutive batters, most of whom never even got the ball out of the infield.

Cooper was in occasional trouble, but he worked out of his jams and up till the 11th had allowed only four hits. Then Frey beat out an infield hit, was sacrificed to second and came sprinting home on a single by Marshall.

Bagby Blanks Tigers
A struggle almost as spectacular was staged in Cleveland as the Indians nosed out the Detroit Tigers, 1-0, with a run in the ninth. Bagby, who had tamed the Tigers in last year's opener, again was the star. He held Detroit to three hits, and drove in the winning run with a long fly.

The veteran Tommy Bridges made it a battle, spacing six Cleveland hits, but he couldn't stop the Indians' battery.

The Pittsburgh Pirates handcuffed the Chicago Cubs, 6-0, with Sewell scattering three hits. Derringer, making his debut in a Cub uniform, restrained Pitts-

burgh to two runs till the eighth, when the Pirates plastered across four tallies.

At St. Louis, Hollingsworth pitched the Browns to a 3-0 triumph over the Chicago White Sox on four hits.

Portland Beavers Ousted From First Place in League

(By the Associated Press)

The four-day old Pacific Coast league baseball season saw one team, Portland, shunted out of the 1,000 Pct. column yesterday, and two teams, Seattle and Hollywood, still unable to break into the win column.

Sacramento, 1942 champion, uncorked a new pitcher who lifted the Solons from the lost column with a 3 to 0 victory over Portland. He was Clem Dreisewerd, who pitched four-hit ball.

Seattle tried hard against San Diego, losing 3-2 in 11 innings. Salkeld, batting for Pitcher Dillbeck, provided the winning blow, a single which scored Jensen. The Rainiers outbit the victors 10 to 9, but San Diego's errorless ball contributed to the victory.

San Francisco joined San Diego as the only undefeated teams in the league by beating Hollywood 5-1.

At Los Angeles the Angels and Oakland pummeled each other's pitchers merrily before Los Angeles came through for an 8-7 victory.

The Sacramento-Portland game demonstrated the kind of rookie talent the league has been recruiting to replace veterans gone to war. Earl Peterson, young catcher from Pocatello, Idaho, lifted the ball over the left field fence in the sixth inning for the Solon's third run. It wasn't needed to win, but it was impressive.

A vocal solo, "Beneath the Cross of Jesus," will be sung by Mrs. Lucien Cobb.

The Rev. W. A. Sylwester, pastor of St. Paul's Lutheran church, announces a Good Friday service starting at 7:45 p. m., the message being based on the seven sayings from the cross and entitled, "Living Words From a Dying Savior." Hymns based on the seven words will be used throughout the service. There will be special music by the choir.

The Union service, sponsored by the Roseburg Ministerial association, will be held at the First Christian church, starting at 1:30 p. m. and continuing through 3:15 p. m., with intermissions after each of the 15-minute periods.

FOOD FARM WAR NEWS

BETTER RETURNS ON CROPS

Higher support prices, which replace incentive payments for three years, have been announced as follows: Dry edible peas, \$5.65 for No. 1's, \$5.40 for No. 2; dry beans, \$6.50 for most varieties, except limas and kidneys, which will bring \$7.50 per hundred; flaxseed, \$2.85 per bushel. Incentive payments will be made on potatoes and commercial vegetables on the acreage between 90 and 110 per cent of the farm's goal. Payments rate for vegetables is \$50 an acre; for potatoes, 50 cents a bushel on the normal yield.

FARM LABOR PICTURE

The week's farm labor front developments include: First contingent of Mexican workers en route to the northwest to help sugar beet growers. Close to 1800 Mexicans are arriving weekly in California and Arizona. This rate will be increased until between 35,000 and 50,000 are on hand to meet harvest peaks in the eight western states. More families are arriving from mid-south areas to work on Oregon and Washington dairy and vegetable farms. Selective service boards will provide county USDA War board with names of registrants in certain classes who have had farm experience and who are not now in essential jobs. With possible army induction as an alternative, skilled farm workers thus located will be asked to take dairy farm jobs.

TRACTOR REPAIRS

Manufacturers of crawler tractor parts have been directed to allocate 20 per cent of their production for essential civilian uses, including agriculture. This should relieve the shortage caused by heavy military demands, but because of the large backlog orders for parts, the effect of this regulation may not be felt for a month or so.

TIRES FOR TRACTORS

Owners of steel-wheel tractors may convert to rubber if they can show that the tractor must be moved over-the-road between farms, or that the tractor was purchased after May 1, 1942, and its use is seriously handicapped by the soil or topography on the farm on which it is operated. Tire certificates will be issued by OPA rationing boards to owners certified by the county USDA War board.
