we went to war. In proportion to the total number involved, casualties among generals have probably been higher than among privates.

In this war, the generals DON'T sit back in safe places. In the Kuban delta, the Russians are more or less duplicating what we're doing in Tunisia.

THERE'S nothing new from German sources as this is written regarding the expedition we are supposed to be sending into the Mediterranean from Gibraltar, but Elmer Davis, head of the Office of War Information (in Washington), chips in with a statement to the effect that there is sure to be an allied assault on the European continent this summer, and adds that it CAN start before Tunis and Bizerte fall.

New Base Used In Assaults On Japs in Aleutians

WASHINGTON, May 8.—(AP)—American planes operating from new advanced positions in the Aleutian islands have stepped up their attacks on Japanese-held Attu Island, the navy disclosed today, raiding it seven times Thursday.

The same day army fighters attacked the Japanese base on Kiska Island, which so far has been the most heavily bombed of the two bases, five times.

Apparently the American force operated from the base on Adchitka Island, which is only 63 nautical miles from Kiska and 233 from Attu.

Existence of the Adchitka base was revealed by the navy yesterday.

Only a few minutes' flying time from Kiska, the new base gives Yankee forces an operating point which should prove valuable when they finally move to hurl the enemy invaders from the American soil they have held since last June.

The new base also gives America's growing army air force an important position within 1700 flying miles of Tokyo and explains partly the axis jitters over American extension of their bases in the western Aleutians.

WARTIME MOTHER'S DAY

EDITORIAL

By Charles V. Stanton

TOMORROW is Mother's day, and its observance this year emphasizes the anxiety of millions of mothers whose sons are away from home, many for the first time, risking their lives for the sake of their country.

It is to be hoped that the exigencies of war will not delay the great volume of mail which even now must be speeding to and from the camps in our home land and the more exposed fronts of the widespread battle lines.

But we know that tomorrow there will be no need for encouragement to turn the thoughts of our soldiers and sailors back to home and mother.

And we are glad we have a message from a Roseburg boy to his mother, and are thankful she has permitted us to use it, for we know it expresses in most beautiful words the thoughts that will be in the minds of all, although expression may come only in a hastily scrawled note.

Conferences Held Here on Training Men for Industry

A series of conferences for the purpose of training men in essential industries in methods of instructing new workers have been conducted here this week by C. C. Haggard, representing the Training Within Industry branch of the War Manpower commission.

Twelve men from The California Oregon Power company, Pierce Auto Freight lines, Umpqua Dairy Products company, and New Service Laundry have been receiving the instruction.

The course, Mr. Haggard reports, was originated because of the fact that so many men, thoroughly skilled in their own trades or professions, were unable to pass their knowledge on to beginners.

In the event there is sufficient call for similar training by other industries of Roseburg and vicinity, another class will be organized at some future date, Mr. Haggard states. Persons interested are requested to contact W. M. Campbell, city superintendent of public instruction.

Capt. Hampshire Killed After 13th Jap Plane Downed

WITH THE AMERICAN AIR FORCES IN CHINA, May 5.—(Delayed)—(AP)—Capt. John D. Hampshire, top-ranking ace of the fourteenth air force was killed in combat May 2 after shooting down his thirteenth Japanese plane.

Hampshire, who came from Grants Pass, Ore., was wounded in an air fight over Hunan province in which he brought down two Zeros and landed his P-40 in a river 30 miles north of Chung-sha.

(Hampshire's death was disclosed in this country Thursday after the war department had notified his father in Grants Pass.) He was pulled out by Chinese boatmen and taken on a litter to the office of the nearest Chinese magistrate, where he died of shock and loss of blood.

The squadron of P-40s, although badly outnumbered, shot down seven Japanese planes surely and probably seven more, with Hampshire the only casualty.

In four air combats in 32 days, Hampshire definitely destroyed two enemy planes in each engagement.

The group commander, Col. Bruce Holloway, of Knoxville, Tenn., said: "Hampshire was a great flier, utterly fearless, and an excellent leader."

Hampshire will be buried in the cemetery at an American air base.

DIAL LOG

By SUSAN

If you've forgotten about the lightweight battle tonight and it isn't past seven, hurry up and flip the switch and be sure you're on 1490. It's Johnny Greco and Terry Young in a ten-round bout coming to you again about the special Mother's day program on Sunday at 12:30. John Charles Thomas is practically perfect—remember he's the one who always used to sign off his programs with a go-bright to his Mother until the FCC put a stop to it. Be that as it may—I'll bet it won't be enjoyed any more than our salute to our Mothers on the wheel this Friday morning. The comment has simply been amazing—would you like more of it? Boy, oh boy! He sure can sing—it's Ralph Church we're talking about. Well, to move on—"American Forum of the Air" (5:00) will debate "Rolling Back Prices". There will be an expert from O. P. A., the master of the National Grange and the president of the American federation of the "mike" to air their views. Starting Monday—and I'm talking to the kids now—the Highway Patrol will roar down the old airways at 5:30 instead of the old time, so now you can rush in from baseball practice and listen to Superman (5:15) and then Highway Patrol will follow immediately. Also on Monday, we'll have the last of the current series of San Quentin on the Air—and it is with real regret that we see this half-hour leave the program schedule. This week's show will feature a repeat on the Glee club singing the "Lord's Prayer". Here's hoping they'll be back with us mighty soon.

Frozen Fish Ceilings Displease Fishermen

ASTORIA, Ore., May 7.—(AP)—OPA ceilings on frozen fish were protested today by Columbia river dragoat fishermen. Oliver Stiles, fishermen's spokesman, charged that May ceilings were reduced from one-half to two-thirds and that differentials were discriminating. Dressed western Royal Chinook salmon is priced at 22 cents a pound, he said, while Atlantic salmon draws 30 cents undressed.

Glenn Woodruff Home Suffers Fire Damage
