MEN AND WOMEN REGISTERING FOR HOME NURSING CLASS

Already a number of men and women have registered for the new Red Cross Home Nursing class, which will be started in this city soon, according to a report made today by the committee. The class is still open, and all men and women desiring to take the course are asked to register this week by calling either Mrs. G. C. Finlay at 650-J or Mrs. W. H. Carter at 749-J.

A large number of men in the Portland area have completed this course in Home Nursing and interest has been shown by several in Douglas county. Any man desiring to take the course need not feel that he will be the only man in the class, as several have already registered for this next class. Mrs. Ivan Pickens, prominent Roseburg registered nurse, will be the class instructor. Mrs. Pickens has already completed teaching a number of classes in this county.

An afternoon class will also be organized, just as soon as sufficient people have registered to start the course.
