"Caps off to our fighting men"

"Next to wives, sweethearts and letters from home, among things our soldiers mention most is Coca-Cola. Of course, our fighting men meet up with Coke many places overseas. But Coca-Cola got there first. Yes sree, Coca-Cola has been a globe-trotter since way back when. It has been sold in more than 100 foreign lands.

"Even with war and so many Coca-Cola bottling plants in enemy-occupied countries, our fighting men are delighted to find Coca-Cola being bottled right on the spot in so many places around the globe. And do they go for it when they find it! Who doesn't?"
