POET'S CORNER

ALONG THE NIGER RIVER
 By ALDEN HARNESS
 Within his cave, where palm-trees wave
 In winds near Niger's sources,
 A hermit knew the prayers that drew
 The Christ-revealing forces.
 Transcendent light as pure and bright
 And deep as holy heaven,
 Was brought by love from heights above
 And to his clear mind given.
 Possessed by seers for countless years,
 The lore of Soul-cognition
 Helped him to gain the highest plane
 Of faith and intuition.
 Once on a veldt a stranger felt
 The hermit's thoughts around him,
 And quickly woke to Truth that broke
 The evils that had bound him.
 Then understood that Spirit wot
 Through all his years disveiled
 His mind and life from sin and strife
 And bring him peace forever.
