DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Worry is a disease. It is extremely contagious, yet as Christians we should be immune against it. Did it ever occur to you that it is wrong for a Christian to worry? Through worry we dishonor the Lord. We allow fear to control us. All of life is a battle between faith and fear. One at times wonders whether the "faith of our fathers" is still living, as we look out upon the fretsome insane world. Here is the best remedy for worry. "In nothing be anxious; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God." The secret of a serene mind lies in prayer and praise. Have we trials, difficult to bear? Then let us take them to the Lord in prayer, and be sure to praise Him for His goodness and mercy. Be not overcome with worry, but overcome worry with praise. "Said the robin to the sparrow I would really like to know why those anxious human beings rush about and worry so. Said the sparrow to the robin Friend, I think that it must be that they have no Heavenly Father. Such as cares for you and me." As a child of God, I can have no fear. Amen.

Modern warfare is the most expensive destruction the world has ever experienced both for the destroyed and the destroyer. There is no point where we can stop in this war this side of peace so all of us will be required to continue our War Bond purchases and increase them.
