## Kitchen Ranger

Like 40 million other American  
women, Janet Blair, Columbia  
starlet, saves every spoonful of  
waste kitchen fat because it is  
needed to make explosives. Janet  
even skims the fat off the soup to  
add to her fat salvage can.  
Another of her favorite kitchen  
tricks is to cool the liquor in  
which hot dogs are cooked. The  
layer of fat that forms on top is a  
great source of glycerine, and  
everyone knows that glycerine is  
a "must" for many munitions.

surely to put them in working or-  
der again.

The Baptist Aid and Mission-  
ary society will meet at the  
church on June 23. Members are  
asked to bring bandages two in-  
ches wide for White Cross work.  
Mrs. Nona P. Anderson from  
Portland spent the weekend as  
guest of Mrs. Hattie Boyd and  
Mrs. Olivia Osborn on the Buck-  
horn road.

A worker at a California air-  
craft plant has worked out a ma-  
chine operation which can be per-  
formed by a trainee and triples  
output.
