## MARKET REPORTS

**PORTLAND, Ore., July 1**—(U. S. Dept. Agr.)—Cattle: Market active, strong at Monday's advance; common-medium grass steers 11.50-13.50; cutters down to 10.00; common-medium heifers 10.00-13.00; canner

The double holiday over the weekend has always been a hazard to motorists. It seems pitiful indeed that our nation should continue to kill and injure our own people especially at a time when our boys and girls and our people on the home front are fighting to make this a better and safer world.

I appeal to you motorists to use special caution over this weekend. Do not pull from the curb without signaling, do not attempt to pass unless the road is clear for ample distance ahead, do not turn across the highway suddenly in front of approaching cars. Don't spoil your holiday or that of someone else by any act in operation of your vehicles.
