Mr. and Mrs. Robert Merl Johnson

Miss Ruth Virginia Wolsk, attractive daughter of Fred Wolsk of this city, and Robert Merl Johnson, son of Mrs. Dora Johnson, of Oakland, were married at a very beautiful ring ceremony Sunday, July 11, at 9:30 o'clock at the home of Dr. and Mrs. Charles A. Edwards, on South Kane street. Relatives and close friends of the couple were present.

Mrs. F. G. Burr softly played, "I Love You Truly," "Because" and "At Dawning," during the ceremony.

The bride was very lovely in a powder blue-colored suit with white accessories. Her corsage was a large white orchid. The bride's sister, Miss Eugenia Wolsk, acted as maid of honor and was attractive in a dress of melon rose shirtdress. The bridegroom's mother was attired in a dress of jersey print with navy blue accessories. Both Miss Wolsk and Mrs. Johnson wore gardenia corsages.

The couple spent their honeymoon in Portland and returned here today to make their home at the Northside apartments.

THE real war is still ahead. Germany still holds all of Europe and part of Russia. Japan grows stronger by the moment, as Hirohito and his gang exploit what they have stolen in the Pacific.

We lost the first round, won the second. There are several more rounds to go. Our opponents are tough and know how to hit below the belt. They'll do it, too, if we relax our guard for a second.

**"Even champs
have been knocked out
in the last round!"**

It's tragically true that here on the West Coast we have been sitting back with a false feeling of security, just because things have been going better. That's exactly how the Japs want us to feel! That's when they like to strike, as they did at Pearl Harbor.

The fact is that as our victories in the Pacific increase, the danger of our being attacked in this area becomes greater.

Right now is the time to be constantly on the alert. That's why it is so important for you to volunteer for Aircraft Warning Service. There are several posts you can fill. The training is brief and interesting, after which you devote only a few hours each week to the vital job of keeping this area constantly alert.
