CELEBRATE "AIRCRAFT WARNING SERVICE WEEK"
AUGUST 1st to 7th BY VOLUNTEERING FOR SERVICE

This Is ALL America's War

We honor the following Douglas County civilian volunteers of AWS whose part in the victory is often unrecognized, but none the less important.

The Eyes and Ears of the Army Air Force—they guard the west coast.

Because of the unselfish efforts of AWS, enormous amounts of men and equipment go overseas—because of these men and women, high school boys and girls, the victory is hastened; boys that would otherwise die will come home.

AWS is a job civilians are asked to do—do your share. Call Roseburg 288.
