Pacific College, So Far Unbeaten, To Battle Bears

SAF FRANCISCO, Oct. 8.—(AP)—Unbeaten College of the Pacific, enjoying the most successful football season in its history, leaves for Berkeley to battle the Bears for its claim with the University of California Bears.

The Bears, winners over the Alamo coast guard, St. Mary's and the flight and U. C. L. A. in the novel situation of the laydown over the Bears.

California, however, has a fair powerful club and some observers think it will be primed to take the first defeat on Pacific's shores.

Coach, California, leading the western division of the Coast conference, goes outside to battle to take on St. Mary's and the flight in Los Angeles. The Trojans whipped U. C. L. A. and California, and off comparative records should stand by the Pacific.

The fourth air force of March 1943, twice-beaten U. C. L. A. in Riverside.

University of Washington, which had its schedule kicked out under it when the rest of the Pacific division conference members quit football, meets the fourth air force of Spokane in 1943.
