Weekly Bowling Chatter

Mr. Chas. Miller of the Youngs Bay Lumber Co. had high score with an even 600 Monday night. He was bowling on Sandy's Monarch team.

Bob Lindsley is still leading the Junior Boys league with a 164 average. Edgar Hiney is running him a close second with 162. The lower average boys are showing much improvement and are raising their averages each week.

The new pins we had up Wednesday night resulted generally in lower than usual scores but some still raised their averages a little. Al Merritt had high individual average with 577. Glenn Wellman had high game, 243.

Mrs. Ferguson in the women's league had high game with 185. VI Blessing had high series, 477.

The doubles tournament bowlers are doing the better bowling. Georgia Moore and Rachel Lehrbach led this week with 1129. Brenner and Beck were second with 1124. H. Rice and K. Laurance were in third place with 1109. Five couples were eliminated, leaving eight couples to compete for the prizes to be awarded the top four.

We wish to announce we are opening at 3 p. m. week days now. If women wanting to learn to bowl will come early. Mr. Baughman will be there to instruct them. It is easier to learn when the alleys are not too busy. —Adv.
