Red Cross, to set up a definite system for feeding Europe's hungry, with proper safeguards against any military advantage accruing to the enemy.

For more than a year, Hoover said, food has been shipped to Greece satisfactorily, and the Germans have lived up to their part of the agreement. He said the State department had certi-fied the Germans were getting no benefit from the food. If the enemy should violate the terms of that or any subsequent agreement, he pointed out, it would be simple to stop the humanitar-
