What You Buy With WAR BONDS

Something for Jerry

American workers since the beginning of the war have manufactured 25,000,000 rounds of small-arms ammunition, or enough bullets to fire 1,500 shots at every Axis soldier in the world. The Garand rifle which fires 60 shells per minute costs \$25 or just about the cost of four \$25 War Bonds. Figure it out yourself and buy more Bonds.

The Army General Staff prides itself on making the American soldier the best equipped and the most protected fighter in the world. It's lives or money. Your War Bonds provide the money. U. S. Treasury Department
