

DeGaulle Reigns As Political Czar When Giraud Quits

ALGIERS, Nov. 11.—(AP)—Gen. Charles DeGaulle was left in virtually undisputed control of the French Committee of National Liberation today following the resignation of Gen. Henri Giraud as co-president and other sweeping changes which drew communist censure of hasty action in the committee's reconstruction.

Giraud's withdrawal, which, however, left him in command of the French armed forces, came at an unannounced meeting yesterday at which the committee adopted two decrees dropping five members, adding seven others and ordaining a separation of civilian and military powers. An official announcement said that both decrees were signed by all members present, including Giraud.

Can Vitamins Change GRAY HAIR?

Impartial investigators have found vitamin Calcium Pantothinate of some value in changing gray hair, where a deficiency of this vitamin may have caused gray or graying hair. For example, one test conducted by Good Housekeeping magazine on a number of people showed 85% of those treated (all ages were included) had positive evidence of a return of some hair color. The new GRAYVITA contains 10, but 20 mg. of Calcium Pantothinate. Absolutely harmless. This gives you TWICE the normal Calcium Pantothinate potency and value in each tablet. Or by using one-half the tablet you cut your cost one-half yet still get the same potency of ordinary brands. Each new GRAYVITA tablet also contains Brewer's Yeast, a natural source of B-Complex, P.L.S. 100 U.S.P. units of vitamin B1—necessary for healthy nerves. TRY GRAYVITA. See what a difference it may make in the way you look. 30 day supply, \$1.50; 100 day supply, \$4.00.

Hope Ahead. There is hope ahead there are fair skies waiting Where the heart can climb to unveiled sun, When the world is through with its bitter hating And war is done. The light will shine from the mystic towers Or darkened cities as night comes down; The streets will blossom with fire flowers, And far from town. Will be silver plows with bright shares turning Unhurriedly down lengths of loam. There will be home-sweet fires burning For men come home. And children will play in grassy dooryards No longer tortured by fear and dread 'There will be freedom again from sadness 'There is hope ahead. Amen. (Grace Noll Crowell)
