Make this a Merry Christmas
not for this year alone but
for the years to come.

*What Wonderful Things
War Bonds Are?*

They are bought for less than they are worth, they help finance the Victory and they prepare for the future.

No wonder people like to give them—and better still—receive them!

Even the children know there is potential power embodied in each bond.

Please them now and insure their future later by investing your Christmas savings in War Bonds to fill their Christmas stockings.
