Oregon's 4-H Clothing Girl National Winner

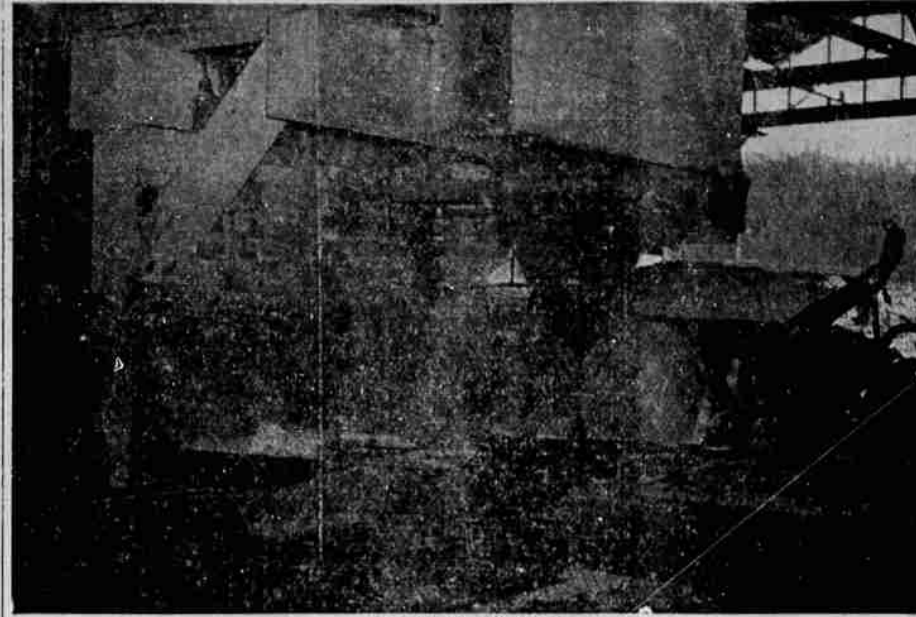

THE superior "Make and Mend for Victory" record of Sarah June Andrews, 17, of Parkdale, Oregon, not only won the state award of an all-expense trip to the 22nd National 4-H Club Congress in Chicago, but a national championship in the 1943 nationwide 4-H clothing achievement contest. The twelve national winners each receives a \$200 college scholarship. All awards are provided by the Educational Bureau of the Spool Cotton Co. . . . In club work eight years, the girl completed 30 projects, eight of which were clothing. She made 74 garments and 24 articles. Her savings on clothing and war work have allowed her to purchase \$400 in War Bonds and buy her own wardrobe for school. . . . Sarah was an assistant leader one year, and a project leader for three years.

Guild to Meet Thursday — Forsyth Guild of the First Presbyterian church will meet Thursday evening at 7:30 o'clock at the home of Dr. and Mrs. Morris H. Roach on West Lane street. Miss Verna Carothers, president, will conduct the meeting and Miss Dolma Grobe will present the program.

Boy's Leg Broken by Auto-Hurled Calf

MARSHFIELD, Ore., Jan. 12. — (AP)—A calf fractured the leg of 10-year-old Andrew B. Nicholas and lacerated his face. The animal, being led to pasture, jumped into the path of an automobile, and was knocked against the boy. Andrew was hurled to the road but the animal was uninjured.

Douglas County Timber Converted Into Plywood

By PAUL JENKINS

The big circular saws above are cutting into a pine log at the headrig of the Springfield Plywood corporation's sawmill at Sutherlin, Oregon. The mill's chief output, however, is fir lumber. Daily cut is about 90,000 feet. The logs are secured from the company's big holdings on the Calapoopa river east of Sutherlin. Seven or eight miles of logging road now are in process of completion in the timber there. Peeler from the logging camp are shipped to the company's plywood mill at Springfield, Oregon. The mill is powered both by steam and electricity.

Jet-Propulsion Engine Inventor

(NEA Radio Telephoto) Inventor of the jet-propulsion engine that will power the new secret, rocket-type fighting plane having no propeller, is Capt. Frank Whittle, above, 36-year-old member of the RAF. The plane, said to be capable of a maximum speed of 500 miles per hour, is expected to play a major role in the knockout of the axis.

Roseburg Indians Date Game Here With North Bend

The Roseburg Indians will meet North Bend high school in a basketball game at the senior high gymnasium at 8 o'clock Saturday. It is not a league game as North Bend is in another district, but the contest will serve to give the Indians some badly needed experience, as they have failed to secure sufficient competition to prepare for the strenuous season which faces them.

Games originally scheduled at North Bend and Marshfield during the holiday week were cancelled because of the prevalence of influenza. The local team is badly in need of competitive play to prepare for the two games to be played next week, Friday and Saturday, against Ashland. The Lithians are particularly strong this week and are seen by some observers as the most likely candidates for the conference championship. The North Bend team, which will be in Roseburg Saturday, is one of the strong teams of the coast loop and an exciting game is in prospect.

Charge of Larceny Faced by Youth

Billy Jackson Butler, 18, was in custody here today on a charge of larceny of personal property. He was accused, Justice of the Peace Hartfield stated, of taking \$95 from the Imperial Cleaners while employed there. He waived preliminary examination and was bound over to the grand jury, being retained in custody in lieu of \$500 bail.

Willis F. McAfee, recently arrested on a charge of drunken driving, and who pleaded innocent, changed his plea to guilty and paid a fine of \$100, Judge Hartfield reported. A jail term of 30 days was suspended. His permit to drive a motor vehicle was revoked for one year. Other traffic fines reported paid in the justice court included Harry A. Nuzum, \$10, no operator's license, and Robert J. McDowell, \$25, passing without sufficient clearance.

Mrs. Helen S. Adams Of Yoncalla Passes

Mrs. Helen Stacey Adams, 77, died at her home in Yoncalla this morning following a long illness. Born in Otisville, Mich., December 26, 1867, she spent her girlhood in Caro, Mich., where she was married June 14, 1899, to James Walter Adams. The family moved to Salem, Oregon, in April 1926, and two years later moved to Yoncalla.

Survivors are the husband; two daughters, Mrs. Grace Cowan, Cottage Grove, and Mrs. Iva Cowan, Yoncalla; a son, Allen S. Adams, San Antonio, Texas; a brother, Charles W. Stacey, Akron, Ohio, and three grandchildren.

Funeral services will be conducted at the Methodist church in Yoncalla at 2 p. m. Saturday, with interment at the Yoncalla cemetery. Arrangements are in charge of Stearns mortuary, Oakland.

Cougar Quintet Again Trims OSC

PULLMAN, Wash., Jan. 12. — (AP)—Moving to the fore after 14 minutes of close, rough basketball, the Washington State college Cougars made it two in a row over Oregon State college cagers last night, winning 49-35 and moving up alongside Washington in the Northern division, Coast conference, hoop race.

The Beavers made their sole threat midway in the first period when they held a 11-6 advantage, but Mort Joslin and Warren Lager put the Washington State quintet back in the game at 12-11. O. S. C. again led at 14-13 but the Cougars came back to take a 24-17 half-time lead and were never threatened again.

The victory left Washington state tied with Washington for the league lead, each with two wins and no losses. Oregon State dropped in to third place with two and two, ahead of twice-defeated Oregon and Idaho.

Bob Rennie and Vince Gregg, both of Washington State, and Bernie McGrath of the losers, shared scoring honors, each with 11 points.
