Beef-Type
BRONZE TURKEY POULTS

We have spent the last 20 years developing this fast maturing, heavy bird with high livability.

It costs no more to feed a broad-breasted, beef-type bronze turkey poult than an inferior type bird.

Our breeders have been on clean green ground since being placed on range and will continue through poult season.

We have many satisfied customers to give as reference.

Consider quality—they cost less.

We Go Ahead—But Slowly

Here is a close-up of the Italian front, where snowstorms, flooded rivers, knee-deep mud and Nazi delaying tricks have made progress painfully slow. But steady progress there is, and troops of the Fifth Army slug their way forward on the tortuous road to Rome.
