Former County Timber Cruiser Faces Charge

excess of the proposed purchase price. On this basis a norder of sale was made transferring title to Mrs. Neal.

The district attorney stated that further investigations and statements of the parties concerned, revealed that Howser allegedly had furnished Mrs. Neal with the money to buy the land, although there is no evidence she knew its true worth, and that she was paid a commission of \$400, after sale had been made.

A cruise of the timber reportedly was made by Ray I. Kimmy, of the O. and C. administration, district office at Roseburg, and a sale negotiated with Catching and Randall, sawmill operators at Drain, who paid \$2,001.50 cash and contracted to pay the balance on the purchase price of \$9,321.50 in monthly payments of \$305, Long stated. Two of the monthly payments were made, making a total of \$2,611.50 paid by Catching and Randall.

The county court, learning by accident of the true value of the lands, ordered an investigation, in which the state police gave most efficient assistance to the district attorney's office. The district attorney also reported being aided by Attorney Guy Cordon of Roseburg.

Howser, Long said, admitted the transaction when questioned and further stated that he had viewed the land prior to its sale,

although no actual cruise was made at that time.

Court Discharges Howser.
Full recovery has been made by the county, Long reported, as Howser surrendered the full amount of \$2,111.50, which, with the \$500 paid by Mrs. Neal, covered the total payments by the Drain company. Mrs. Neal executed a conveyance of title to the county, with the court taking over the contract with Catching and Randall. Howser, Long said, has been dismissed as a county employee.

The district attorney stated he could find no record of the law, under which criminal charges are brought against Howser, ever having been previously exercised. The law provides a maximum fine of \$5,000 or imprisonment for one year in the county jail or state penitentiary or by both fine and imprisonment, or dismissal from county employment either with or without other penalty.
