News of 4-H CLUBS

Thirteen summer school scholarships are sponsored for this year in Roseburg by several business and professional men who are anxious that club members get as much from the program as possible. These firms are: California-Oregon Power company, Douglas County Flour Mills, Montgomery Ward & Company, Fisher's Department store, J. C. Penney Company, Bob Frank's Grocery, Parkinson's Food Store, Safeway, Inc., Pepsi-Cola, Dr. B. R. Shoemaker, Dr. E. J. Wainwright, and the United States National bank, which is providing two scholarships.

4-H club leaders over this entire county will have a most pleasant surprise when they receive their subscription to the National 4-H Club News, a magazine designed especially to assist leaders in their work as directors of clubs of young people. According to E. A. Britton, county club agent, all sorts of help are in this magazine for leaders regardless of the type of project led.

This magazine is being provided to every club leader in the county by Dr. E. E. Boring of the Boring Optical company, who wanted to do what would count most at this time to help in the 4-H club program.
