To Be Heard Here

Walter Hautzig

Walter Hautzig, outstanding young pianist who plays in Roseburg, April 19, at 8:15 o'clock at the junior high school building, was introduced to New York in recital at Town Hall last fall without preliminary fanfare. The polish, maturity, finish of his playing took his audience and critics by surprise—and swept them of their feet. "A brilliant new keyboard talent whipped up warm response," wrote the critic of the New York World-Telegram. "Hautzig's playing was remarkable for its poetry and imagination, its inner life spontaneity and insight." The Herald Tribune spoke of "performances commanding the highest admiration."

People wanted to know about the gifted newcomer—where had he studied, what was his background?

They were even more startled to learn that Walter Hautzig's Town Hall recital was almost his first public appearance. Born in Vienna, he studied at the Vienna Academy of Music. He was on the eve of a debut in his native city, when the German Anschluss stopped all such plans and sent him over the border.

Hautzig went to the Near East, where he made his way by playing concerts. He finally saved enough to pay his passage to America.

In this country, he won a competitive scholarship at Curtis Institute of Music in Philadelphia. There he worked with Harry Kaufman and Mieczyslaw Munz, particularly the latter. His artistic merit was proved when he won the 1942 Philadelphia Music club award for piano, and later the New York Madrigal society award.

Hautzig will be presented by the Community Concert association as the fourth guest artist of the year. Members only and men of the armed services are privileged to attend.

Well, let's see: two don't miss spots on the dial tonight, Chicago Theatre of the Air, presenting Romberg's "The New Moon" at 6 and Downbeat Derby. Starting time is 8 o'clock. Now for a quick look at Sunday, because we have lots of things to call to your attention for Monday: Organ Chimes moves out of its usual Sunday spot and you'll hear the Luther Hour from 9:30 until 10. Organ Chimes moves back to its original time—11:15 Tuesday morning. Maybe it's selfishness on our part, but we're glad because now we're sure to hear the program. Sunday evening's Cleveland Symphony brings you Leonard Shore, nationally famed pianist, appearing as soloist with the orchestra for Beethoven's "Concerto for Piano and Orchestra No. 5 in E Flat Major". Rudolph Ringwald returns to guest conduct the concert—the time is 6 o'clock. Then, of course, in the evening there's Jack Benny at 8:30—and we are very sad—not about the Benny show because we love it (Louella Parson guests this week), but because Dennis Day has been sworn into the U. S. navy, so we won't hear him anymore. And, as we've said before, we'll trace Sinatra in for him any day.

Now, for Monday and the changes. Shopper's Guide moves up to 8:45 to make way for a new program which you are going to like a lot if we're not terribly mistaken. You do like good music and singing and a laugh here and there, don't you? Well, that's just what you'll be getting when Jack Berch and the Three Suns make their debut on 1480 come Monday a. m. at 10:15. That will cheer up your washday blues, but you'll get an extra dividend here for they will be on every day Monday through Friday; so listen for their introduction—"I'm a whistler—are you listening?"

The collectors will be at the Roseburg city hall Monday and Tuesday and at the chamber of commerce office Wednesday. The two collectors also will visit Reedsport April 6. Deputy Collector Earl Gray of Medford will assist taxpayers at Myrtle Creek April 3 and will be at Glendale, April 4.

Tax Aides Set Dates in Douglas County Towns

I. H. Curran and Jack Bowen, deputy collectors of internal revenue, will be in Roseburg April 3, 4 and 5, to aid-income tax payers with the preparation of their 1944 tax estimates. Mr. Curran announced today in communication to the News-Review.
