Chrysler Strike Ended, Others In Michigan Continue

DETROIT, May 23 (AP)—The Chrysler Corp. strike causing idleness for nearly 12,000 war workers was called off suddenly today by the executive board of local 490, United Automobile Workers (CIO).

Ordering strikers back to work, the local's executive board took its action a day before its membership was to appear before the parent UAW-CIO's highest councils "with facts and witnesses" to explain the strike.

President R. J. Thomas and co-officials of the UAW-CIO had ordered the local's leaders to appear before the UAW-CIO's international executive board. At the same time George F. Addes, international secretary-treasurer, had urged employees to disregard picket lines and enter the affected plants.

A meeting of the rank and file membership had been called for tonight by Thomas himself with a warning that "your jobs and your union are at stake." The strike had been carried on in defiance of a War Labor board return-to-work order.

A company announcement today had placed the total of idle at 11,785.

Meanwhile approximately 4,500 employees of four other Michigan firms were away from their jobs as 1,900 workers at two Detroit plants of Parke Davis & Co. carried out a strike authorized last Saturday in a National Labor Relations board election and 2,600 others were idle in two disputes at Saginaw and Muskegon.
