Bond Purchases Spurred By European Invasion

WASHINGTON, June 10—(AP)—Millions of volunteer bond-sellers here lined up today for the \$16 billion dollar Fifth war loan drive which starts Monday.

Some 5 million employees of retail stores tackled a bond sale quota of a billion and a half which they hope to raise by selling \$300 worth each of the popular-type "E" bonds.

Already there were indications that the invasion of Europe had stepped up bond purchases. The total paid into the treasury this month, through June 7, for war bonds was \$278,216,000, nearly three times the amount turned in during the same period last year.

Alleys, Lumber Nines Win First Softball Games

A large group of chilled fans saw the opening of the city softball league last night, with the Roseburg Alleys defeating Dunham's transfer 10 to 4 while Youngs Bay Lumber company trampled the Olympia Supply Co., 20 to 6.

Surprisingly, except for one bad inning in each game, the contests were much better than scores would indicate.

The Roseburg Alleys secured five of their ten runs in a wild fourth inning when three errors, three walks and a couple of wild pitches accounted for all of the scores without a single hit being made. Dunham's held a one-run lead from the first inning until the third frame, when the Alleys pushed across four runs on as many hits, a walk and an error. After the fourth inning fiasco, the Alleys added another in the fifth to give their total of 10 runs. Dunham's rapped out four hits in the last of the fifth which, coupled with two errors, accounted for three runs.

The freak inning of the second game came early, when the Young's Bay batters went around twice, rapping out nine hits, which with four walks and three errors chalked up 13 runs. Three walks and three errors, coupled with one hit, gave the lumber company team four more tallies in the sixth, while one run was tallied in each of three frames, the third, fifth and seventh.

The Olympia Supply company's runs were bunched into two innings, tallying three in the third and three in the sixth.

All teams showed lack of practice. Many errors in the second game resulted from poor lighting. A very extensive lighting system has been installed with equipment recently brought from Klamath Falls, but as installation was hurried there was no time to make adjustments, while one circuit failed to operate. It is expected the lighting system will be overhauled and adjusted before Wednesday's doubleheader. The league will play games each Monday, Wednesday and Friday nights.

Accidents to 2 Residents Noted At Myrtle Creek

Joe Nault, employed at the Pico mill at Myrtle Creek, is making satisfactory recovery from injuries suffered when he was struck by a flying cable and knocked into the mill pond. He was helping to clear a log jam when he was struck by the cable and thrown into the water under the legs. Although it was several minutes before he was rescued, he was saved from drowning and was taken to the hospital, where he is reported to be making good recovery.

Another Myrtle Creek resident, Mrs. Jesse Mitts, also is suffering from an accidental injury, having broken her leg as the result of a fall. Mr. and Mrs. Mitts have been serving as cook and camp tenders at forest service camps for the past two years and were preparing to resume their work for the season when Mrs. Mitts was hurt.

They recently purchased the J. S. Aldridge home on East Broadway and are moving to that property. Mr. and Mrs. Aldridge are moving to Medford, where they have purchased a home. A farewell basket dinner was held in honor of Mr. and Mrs. Aldridge Sunday at the Methodist church, in which they have been active members for many years.

Millsite Clearing Near Dillard Almost Done

Clearing of the millsite and construction of the millpond for the sawmill to be built by the Griswold Lumber company immediately south of Dillard is nearing completion. The mill is expected to be in operation by late summer or early fall.

postponed tilt and a tie game. Portland nosed out the Angels in the opener, 2-1, on a fourth-inning homer by Outfielder De Weese. Los Angeles took the seven-inning nightcap, 3-2, by pushing over all three runs in the sixth.

The other teams spent the day travelling to set off a new series starting tonight with Sacramento at Hollywood, Los Angeles at Seattle, Oakland at Portland and San Diego at San Francisco.

Hunting Seasons Tentatively Fixed By Oregon Board

PORTLAND, June 12.—(AP)—Tentative dates for 1944 hunting seasons were announced by the state game commission today. Subject to revision at a meeting set for June 24, they are:

Buck deer—Oct. 1 to 31.

Bull elk—Nov. 4 to 30, except in Clatsop, Coos and Douglas counties, where the dates are Nov. 4 to 14, and in southeastern Oregon, where shooting will be permitted from Nov. 4 to 14.

Antelope—Sept. 24 to Oct. 7.

A total of 2500 tags will be issued for taking antelope. The animals may be shot in any part of the state except certain sections of Lake, Deschutes and Harney counties.

A special deer season was set for the Hart mountain refuge from October 7 to 15, with 200 buck and 300 doe tags to be issued.

Three thousand doe deer tags will be available for a special hunt in Baker and Grant counties.

Five hundred cow elk tags were authorized for use in the

area between the La Grande-Pendleton highway and the Grand Rond river.

The same game refuges will be open to hunting this year as last. Use of 22 caliber rim-fire shells is banned.

The season on ruffed grouse in Lincoln, Coos and parts of Lane and Douglas counties is closed this year.

Doe Deer Protected. It will be illegal to kill doe deer in Klamath and Lake counties this year.

The commission heeded the pleas of sportsmen in voting Saturday against issuing doe tags in the two southern Oregon counties.

John Ebinger, president of the Isaac Walton league's Klamath-Mooc chapter, contended that

the area's mule deer herds are threatened with extinction. He submitted signed statements of 42 club members supporting his stand.
