Symbol Of Lodge Is Extolled By Roseburg Eagles

"The eagle—emblem of our country—is not only the symbol of the American ideals of freedom but also the embodiment of the strengths which have made us a great nation," declared Joe Wikoff in his address at the Emblem day exercises held by Roseburg aerie of the Fraternal Order of Eagles Tuesday. The eagle has those qualities of courage, hardihood and fearlessness, plus a tender affection for its young, that makes it truly a happy and fitting choice as the emblem of America," the speaker said.

This was the first nation-wide commemoration of the choosing of the eagle as the emblem of the nation, an event which occurred 162 years ago, on June 20, 1782. In 1942, Wisconsin Eagles designated June 20 as Emblem day, and last year the grand aerie itself urged all subordinate lodges to celebrate the day to show that the eagle was truly the emblem of our country not only on its official documents, coins, and medals of honor, but also in the heart and soul of every loyal American. It is the hope of Eagles that Emblem day will soon become a national holiday.

Pointing out that F. O. E. stands for "Fight Our Enemy," the speaker said: "Against whatever enemy threatens America as the land of the free where each man, woman and child can exercise the right to life, liberty and the pursuit of happiness, the Eagles have always presented a united front. In the early days of our industrial development, when the dignity of labor was threatened by the machine, Eagles campaigned for workmen's compensation. When the unity of the home as the cornerstone of American civilization was threatened, Eagles campaigned for mothers' pensions. When the poorhouse became increasingly a degrading symbol of America's ingratitude to its aged builders, Eagles fought for old age pensions, and now, when the Jap and the forces of fascism threaten the very life of America, the Eagles are all out for the war and victory."

According to a recent announcement from the office of the Eagles' managing organizer, Matt L. Brown, the Order already has invested more than \$20,000,000 in war bonds, has 120,000 members in service, and has 1,000 aerie committees working in the interest of returning servicemen. The local aerie has purchased more than \$17,000.00 worth of war bonds, and, as an important part of its Emblem day celebration, has pledged to buy \$5,000.00 during the Fifth war loan drive. Prior to the Emblem day program which was attended by some 50 Eagles and their families and friends and the general public an Emblem day class of 14 candidates was initiated. Membership chairman of the aerie is Dexter Huff. On the committee in charge of arrangements for the entire Emblem day celebration were M. R. Rockwell, chairman, John Krohn, Dr. Schofield, L. P. Watson and H. K. Hockett.

As the speaker, Mr. Wikoff, declared, "Emblem day belongs not only to Eagledom. It is the anniversary of an important event in American history. It should remind all of us to meet our problems, personal and national, with the courage and fearlessness of the eagle—monarch of the skies."

POET'S CORNER

BUY WAR BONDS
By ALDEN HARNESSE
You are helping us to swiftly crack Germany's resistance and to put her decreasing armies far beyond the power to ever turn us back. Which is making Hitler, crazy nut, Curse himself and loudly weep and rave, And come near and nearer to his grave, Every time each month you buy a bond; You are causing Nippon's hordes to meet With dire disaster and defeat, Till wicked as a desperado Becomes the deified Mikado, Every time each month you buy a bond; And you are helping more and more To win this world-destroying war, Whose end shall see the gallow-trees Where Germans and the Japanese, Who were filled with fierce and brutal joys As they watched our captured soldier-boys Die from their fiendish torturing. For their atrocious crimes shall swing, Every time each month you buy a bond.

Red Cross Unit At Yoncalla Has New Set Officers

Election of officers for the Yoncalla Red Cross unit took place at the Red Cross rooms Saturday, June 17. Mrs. Sidney Lasswell was elected chairman, to succeed Mrs. George Edes; Mrs. H. V. Thiel to succeed Mrs. Cody Long as vice chairman; Mrs. Olive McKee to succeed Mrs. Hugh Warner as secretary, and Mrs. Harriett Roberts reelected as treasurer.

Routine business and reports followed. Analysis of the figures of the war drive, conducted during March, showed the total sum subscribed to be \$723.86. Red Hill, with Mrs. Albert Cockeram as solicitor, had the largest amount per capita. Hayhurst, with Mrs. Art Ryehard solicitor, had the largest sum, \$110.00. The business houses averaged \$2.95. Sixteen districts comprise the Yoncalla territory. Of this number two districts were unreported.

One thousand and two finished articles were sent to the chapter production room from July 1, 1943, to June 21, 1944. The organization participated in the drive for old clothes, making Christmas cards for the base hospital, quilting both for a fee and gratis; adding to the supply room; helping to build a chimney in the Red Cross room, to make available a place for the sponsored home nursing class, as well as the routine duties of production and war drive, home service work and many times aiding the needy. Special mention of thanks was

made to the Hayhurst community club for the constant flow of wheels chair robes. These robes are entirely finished. Material is furnished by the women there. Appreciation also was expressed to Mrs. Walter Lunny and her Girl Scouts for their work on the Christmas cards, and the hours they put in sorting buttons, pins and needles and winding miles of thread to go into the 365 housewives for the soldiers. The ladies want the city council to know how much they appreciate the pleasant rooms provided for the Red Cross, free of charge, lights and heat, water included. Note was made of several items of equipment needed in the sewing room. After paying bills, the branch closed the year with a sum of eight cents in the bank.

As our guarantee of this, our registered trademarks—the familiar "Arab" and "Red Can Brand"—appear on both jar and package.

By packing coffee in glassine-lined cartons, as well as in vacuum-packed jars, we are making it possible for you to buy Hills Bros. Coffee whenever you want it. This would not be the case if we used only glass jars since the amount of glass available for coffee is limited. The shortage of jars is due to unusual wartime demands on the total glass supply.

We invite you to try Hills Bros. Coffee in the Wartime Package. When you taste it you will instantly recognize that famous Hills Bros. flavor which makes you say, "Now that's what I call good coffee!"

This Wartime Package is not vacuum-packed. So, for freshness' sake, buy only one package at a time.
