Beavers Drop to 4th Spot in Losing 10-Inning Battle

(By the Associated Press.)

Portland skidded back to fourth place in the Pacific Coast league yesterday as the Beavers dropped a 4-3 ten-inning decision to Los Angeles while Hollywood squeezed by San Diego, 2-1.

The league leading San Francisco Seals and the runner-up Seattle Rainiers both wound up on the short end in their struggles. Oakland resumed its victory march by downing Seattle, 3-2, and the last place Sacramento Solons rose up to wallop the Seals, 12-1.

The Beaver-Angel tussle was scoreless until the fifth inning when each club tallied once. Portland went ahead with two runners in the seventh but Los Angeles matched them in the eighth. In the tenth Gullie, playing third base for Manager Owen, who injured his back in batting practice, threw low to first base after fielding Garriott's bunt and Garriott went to second. Fernandez sacrificed Garriott to third and he scored on Ostrowski's fifth single in five times up.

Oakland's Lotz started shakily against the Rainiers but steadied to turn in a seven hit hurling triumph over Turpin, who was nipped for eight blows. Turpin pitched hitless ball for the first four innings but later weakened, while Lotz gave up runs in the first and third frames but shut out the Rainiers from there on.

Swaffest Raises Record \$22,080,000 For War Bonds

HOUSTON, Tex., June 22—(AP)—It took two army corporals and an amateur bull fighter teaming up with five other slugers to draw the largest boxing gate in history — \$22,080,000 in war bonds purchased to witness Houston's Fifth war loan fistic carnival.

With seats scaled from \$25 to \$50,000 and admission by war bond purchase only, Texas' biggest fight crowd clambered into the Houston coliseum last night to eclipse the previous world's record gate for the second Tunney-Dempsey show by nearly twenty million dollars.

In the top attraction Corporal Al Hostak of Camp Bowie, former world middleweight champion from Seattle, battered Corporal Glen Lee of Camp Claiborne to a third-round knockout.

Li. Comdr. Jack Dempsey, former world heavyweight champion refereed the bout.

The spectacle was sponsored by the Harris county war bond sports activities committee.

Through 19 sports events promoted by this committee since Pearl Harbor the nation's war coffers have been enriched by over \$43,000,000.

Public Debt of U. S. Up To \$190 Million Mark

WASHINGTON, June 22—(AP)—The public debt of the United States has passed another milestone—\$190,000,000.

At the close of business June 19, the treasury statement showed, it was \$190,057,000,000 compared with \$140,104,000,000 a year ago.

Excluding guaranteed obligations of certain government corporations, the debt was \$188,414,000,000. That is the figure covered by the legal debt limit—recently boosted from \$210,000,000 to \$260,000,000,000.

Bonesteel to Command Western Defense Unit

SAN FRANCISCO, June 22, (AP)—Maj. Gen. Charles Hartwell Bonesteel, 59-year-old commander of U. S. forces which occupied Iceland in 1941, has been appointed commanding general

NOW SHE SHOPS "CASH AND CARRY"

Without Painful Backache Many suffer from nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 quarts a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination with burning and burning sensations shows there is something wrong with your kidneys or bladder.

of the western defense command to succeed Lt. Gen. Delos C. Emmons.

Emmons, former Hawaiian air force and defense chief, has been assigned "to an unannounced important command." Meanwhile Maj. Gen. Robert Lewis, commanding general of the northwest sector of WDC, holds temporary command until the arrival of Bonesteel from Fort Benning, Ga., where he is in charge of the Infantry school.

Gurney, Kidnaped Baby's Father, Joins Marines

ALBANY, Ore., June 22—(AP)—B. M. Gurney, father of the baby who was kidnaped from her crib in an Albany hospital last August, has enlisted in the merchant marine.

Mrs. Gurney will remain in Albany with her two daughters. The kidnaped baby was found safe in the home of an army sergeant's wife after days of statewide searching.

State AFL Faces Political Issue; Sales Tax Rapped

EUGENE, Ore., June 22—(AP)—The controversial issue of endorsing political candidates confronted American Federation of Labor state convention delegates today.

They were faced with a choice of adopting resolutions endorsing a fourth term for President Roosevelt and the candidacy of Willis Mahoney, democratic nominee for U. S. senator, or one establishing a non-partisan political policy.

The latter was introduced by S. Eugene Allen, editor of the Oregon Labor Press and chairman of the laws and legislation committee. He declared that endorsements by the convention would lead to "disunity and confusion."

A death struggle between labor and management can result only in fascism, Dr. George Bernard

Noble, 12th regional War Labor board chairman, told the AFL delegates last night.

He urged labor to clean its own house and support harmonious bargaining in the public interest. Because of good labor conditions in the northwest, he said, labor can not expect much higher wage increases unless living costs advance.

The convention adopted a legislation committee report yesterday opposing a state sales tax and government regulation of labor, industry and agriculture.

"The problem is not how to prevent bureaucratic control of American labor, industry and agriculture and a large degree of state socialism," the report said, "but how to get rid of it."

American management and the AFL, said the report, can achieve results superior to those of a "multitude of overlapping agencies * * * staffed with inexperienced and impractical people."

The report labeled unsound the initiative measure for a sales tax to finance increased old-age benefits, and urged defeat of a measure that would shift sup-

port of local schools from property to income tax sources.
