WOMEN NEEDED TO JOIN THE WAVES

The places of countless numbers of men now on active duty at domestic stations and bases can and must be taken by women. The Waves are doing this kind of a job but many thousands more are needed. If you are between the ages of 20 and 36, either married or single, have no dependents under 18 years of age and have at least two years of high school, why don't you call at the navy recruiting station in the Chamber of Commerce office on Friday or Saturday, July 7 and 8, and find out how you can do your part with the Waves.

A thousand women are wanted, this year, from Oregon alone and the need is urgent. It means much toward the shortening of the war with the subsequent speeding up of the return of husbands, brothers, fathers and sweethearts. Women are urged to give serious consideration to the matter of well-paid and highly interesting branch of the service. The Waves offer probably the best opportunity to young women to both serve and learn at good pay in the armed services. Preliminary training and indoctrination is given at Hunter college in the Bronx, New York City and

while there each girl is given full opportunity to choose the particular branch of the navy in which she prefers to serve. Among the many jobs available to these women and in which they can receive highly specialized training are hospital corpsmen and technicians, parachute riggers, control tower operators, aerographers, yeomen, storekeeper, telegrapher, aviation metalsmith and aviation machinist mate.

Chief W. E. Bell of the Navy Recruiting Station at Eugene will be in Roseburg at the Chamber of Commerce office, on his regular tour of duty in this area, Friday and Saturday, July 7 and 8 and advises that he is particularly interested in talking to women who would like to serve their country and help themselves as well. He explains that there are many things having to do with enlistment in the Waves and its advantages to the individual woman that are often not gathered from just reading publicity, that he would like an opportunity to discuss with young women in and near Roseburg.

POET'S CORNER

WHAT HITLER WISHES
By ALDEN HARNESSE
Where the moon was hanging low
One silent night above the snow
On mountain summits in July,
Nineteen hundred forty-four,
I heard a thoughtful mountaineer
Who had fought on Singapore
In jungle battles, prophesy
That completely, soon before
Christmas day arrives next year
Our matchless armies shall subdue
Germany and Nippon, too,
And that after this event
And weary weeks of argument,
The brutal axis leaders found
Gulley of war crimes shall be
Lying far down under ground,
Deeper than the deepest sea,
In a sleep that Hitler now,
Where our mighty cannons roar,
Wishes nature would allow
His mind to have forevermore.

CANNING SCHOOL IS HELD AT GLIDE

GLIDE — A canning school was conducted by Miss Maw, emergency assistant, at the Glide schoolhouse on Thursday. The preparation and canning of meats and vegetables by pressure cooker was demonstrated, also the canning of fruits by hot water bath. These two methods of canning are the ones approved by Oregon State college. Booklets put out by the college on canning were distributed and Miss Maw pointed out that these had been compiled by the college and the tables of processing times were worked out for Oregon conditions and were more apt to produce a better canned product with less danger of spoilage. Different types of jars and lids were shown and their use explained.

A potluck luncheon was enjoyed at noon by Mrs. E. T. Schasso, Mrs. Geo. Casebeer, Mrs. Floyd Hickman, Mrs. August Spiedel, Mrs. Harry Parrott, Mrs. A. J. Standley, Mrs. Ralph Carrier, Mrs. Ramsey, Mrs. Baljou, Mrs. Claude Talcott, Mrs. Harry Davis, Mrs. Howard Melvin, Mrs. Vern Shrum and Miss Mary Maw.

YONCALLA BIBLE SCHOOL CLOSURES WITH PROGRAM

YONCALLA — Misses Ethel Smith and Jewel Kenney assisted by Mrs. W. J. Ladd, Mrs. Elmer Bragg, Mrs. Avery Lasswell, Miss Pauline Groves and Miss Norma Raper concluded a two-weeks vacation Bible school last week with a fine program on Friday evening. The school was held at the Methodist church. Each class furnished part of the program. Awards for memory work, deportment, and those bringing the most children to Bible school were given to Ann Lasswell, Mary Thorp, Wanda Raper, Dinna Lloyd, Billy Lasswell, Mona Raper and Charles Meston.

Misses Ethel Smith and Jewel Kenney concluded several years of work at the Assembly of God Church, where they were pastors, Sunday evening. They have won the hearts of most of the folk in this community, with their wonderful, sweet way of spreading the gospel of love to all. They intend to do evangelistic work in the future.

FAREWELL DINNER GIVEN PASTORS

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief
Many sufferers relieve aching backaches quickly, once they discover the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people feel new about pain today. When disorder of kidney function permits poisonous matter to remain in your blood, it causes aching backaches, rheumatism, pain, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headache and dizziness. Frequent or empty passages with smarting and burning sometimes shows that is something wrong with your kidneys or bladder.
Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of laboring men, women and children free from your blood. Get Doan's Pills.

MAY DRAFT MACHINERY
Authority to requisition idle farm machinery which was effective last year has been extended through December, 1944, with authority delegated to chairmen of the state Agricultural Conservation committees. Changes from AAA committees instead of last year's procedure are: Commercial motor vehicles are not included and the drafting of idle equipment for war duty is to be handled by the state and county War boards. Idle motor vehicles are to be reported to the office of defense transportation.
