

### Veterans' Advisor Is Transferred to Roseburg Facility

Tom Collins, Veterans administration contact representative, who had been stationed at Camp Adair for the purpose of advising soldiers being discharged with disability as to their rights, benefits and matters in connection with national service life insurance, has been transferred to the Roseburg facility for the establishing of a contact section.

Mr. Collins has had considerable experience in veteran affairs, having served as executive secretary and service officer for Portland post No. 1, American Legion, for a period of nine years, department service officer for the American Legion of Oregon for four years, and state service officer for the adjutant general's office, state of Oregon, for two

and one-half years. During the past four years he made periodic trips to the Roseburg facility assisting with claims.

Local veterans have been urging the placing of a full time employee at the local facility for the purpose of assisting the patients and their dependents, and those in particular from the present conflict, who have many problems with reference to pensions, mustering out pay and insurance.

Mr. Collins and wife will establish their residence in Roseburg in the near future.

### Log Pond Completed for Griswold Lumber Firm

The log pond for the Griswold Lumber company, which is preparing to start construction soon on a sawmill immediately south of Dillard, has been completed by the Salem Sand and Gravel company, contractors. The pond covers an area of approximately seven acres. It is the present plan, it was stated, to leave the pond unfilled temporarily to afford opportunity for the dikes to settle thoroughly before the water is pumped in. The water supply will be obtained from the South Umpqua river, facilities for pumping over a distance of approximately 600 feet having been installed.

### League Seesaw Puts Oaks Again In First Place

(By the Associated Press.)

The Oakland A's are back at the top of the Coast league after their 7 to 3 defeat of the San Francisco Seals last night switched the positions of the teams for the third time in as many days.

Meanwhile the Seattle Rainiers turned 11 hits into an 8 to 1 victory over the Portland Beavers and climbed into a tie with the Seals for second place. The loss dropped Portland into seventh position.

Reynold's twelfth inning single scoring Calvey gave the San Diego Padres a 3 to 2 win over the Sacramento Solons. It was the cellar-dwelling Solons' first loss in the current Padre series.

The Hollywood Stars won over Los Angeles, 3 to 2, and moved into fifth place.

Seattle pounded in two runs off Pufford in the second inning and sent him to an early shower with two more in the third.

### Georgia Primary Victors Say They Won Against CIO

ATLANTA, July 6—(AP)—U. S. Senator Walter F. George, chairman of the senate finance committee and one-time target of President Roosevelt's "purge campaign," was renominated July 4 by Georgia democrats, along with nine of the state's 10 congressmen.

Rep. Hugh Peterson of the first district and Rep. E. E. Cox of the second district, both of whom said they had been marked for defeat by the CIO, won over opponents. Rep. John S. Gibson of the eighth district, also won re-nomination.

George, who remained in Washington throughout the listless campaign and limited his appeals to newspaper advertisements,

overwhelmingly defeated a political newcomer, farmer John W. Goolsby of rural Washington, Ga. Rep. Robert Ramspeck of the Fifth district, democratic whip of the house, and Carl Vinson of the Sixth, chairman of the powerful house naval affairs committee, were renominated without opposition, along with Reps. Face, Camp, Tarver and Brown.

Cox, who had said the CIO had "marked me for slaughter," decisively defeated a former Florida congressman, John Smithwick of Moultrie.

Peterson, who asserted that labor unions had attacked him and that he was the target of a CIO "smear campaign," outstripped two opponents in the second district.

Negro democrats, abandoning original mass attempts at voting, laid a basis for court test of Georgia's "white primary" by sending small "token" delegations to the polls in Atlanta and several other Georgia cities. In each case, the negroes presented poll tax receipts, and when told their names were not on the list of qualified voters, turned away without comment.

# Remember Oregon's Depression Prices of '33-'34?

CERTAINLY IT WAS A NIGHTMARE...

and wouldn't it have been wonderful to have had a nest egg, absolutely safe, such as today's war bonds, that could be drawn on in emergencies.

We're not predicting another depression, but it's common sense to have a good, safe reserve salted away for a time when you will need it. THERE IS NO SAFER PLACE THAN UNITED STATES WAR BONDS! They are the world's soundest investment. They're even better than the folding money in your pocket, because even tho they are printed on the same kind of paper, they bear interest at a higher rate than most savings accounts.

In 10 years \$ 75.00 becomes \$100.00  
\$187.50 becomes \$250.00  
\$375.00 becomes \$500.00

Your money will buy a lot more per dollar after the war than at today's prices. So salt it away in War Bonds.

### BUY NOW!

Sure you're busy, but Uncle Sam needs funds now. If you can't go to the bank, or your post office or Savings and Loan association, write or phone for application blanks. Then mail a check for every spare dollar's worth of War Bonds you can buy.
