Mr. Crenshaw, who is manager of a Standard Stations Inc., station at North Bend, is a son of Mr. and Mrs. George Crenshaw, Sr., of Roseburg.

Relieve that Tormenting PIN-WORM ITCH Too Embarrassing to Talk About!

It is no longer necessary to put up with the trouble caused by Pin-Worms. Don't let your child or yourself suffer that tormenting, embarrassing rectal itching, or take chances with the internal distress.

Medical science has now discovered a new and highly effective way to deal with this stubborn and troublesome infection. This important scientific discovery is a remarkable drug known as gentian violet.

Watch for the warning signs: itching nose and seat, uneasy stomach, belching, uneven appetite. Remember that now there is a treatment that works on Pin-Worms as no old-fashioned "worm syrups" or "worm candy" could. So if you even suspect Pin-Worms, get a box of P-W right away, and follow the directions carefully. P-W means Pin-Worm relief!

Dine and Dance on the Highway Formerly Brand's will be CLOSED every Monday and Tuesday

Forced Pooling Of Car Use New Program of OPA

BY JAMES MARLOW

WASHINGTON, July 18—(AP)—OPA is preparing for a nationwide drive—starting Aug. 1—to force greater participation in car pooling.

It is aimed—not at "A" ration drivers—but at motorists who get extra gasoline for home-to-work driving.

OPA wants them to form car pools with their neighbors, who also receive extra rations for home-to-work driving, so that through rotation, each one's car need be used about one day out of five.

That is the main purpose of the drive. The reason: To conserve gasoline, tires and reduce wear on this country's dwindling supply of automobiles.

The home-to-work drivers with the extra gas rations are entitled to new tires. But there are not enough tires to fill their demands. OPA officials estimate that 4,000 cars wear out daily. The 28 million automobiles in use in 1941 have dropped to 23 million.

This reduction has dumped an increasingly greater burden on other kinds of transportation like street cars and buses.

But what about a motorist who gets extra gas for home-to-work driving but lives in a neighborhood where there are no other motorists with whom he could form a pool?

Then OPA wants him to form a pool with his neighbors who have no cars to take them to work on the way to his own job.

After Aug. 1 the OPA program will work like this: John Jones has been getting extra rations for home-to-work driving. Every three months he applies to his board to have his extra rations renewed.

But when he asks for such renewal after Aug. 1 he will be given a renewal for only 30 days if he is not in a car pool.

Within those 30 days he will have to get into a pool. If, at the end of that time he still is not in a pool, the board will not allow him further extra rations.

Ration boards, of course, will have to determine each case on its merits in continuing or refusing renewals. Special cases will be given special consideration.

Glee Club Disbands, Puts Funds in War Bonds

The Roseburg Men's Glee club has invested its reserve funds in war bonds, Noble Goettel, treasurer, reported today. The club, which had a substantial sum in its treasury, has been disbanded during the war period.

Visitor From Glendale—Bill Mouchette of Glendale visited in Roseburg Monday.

Business Visitor—Russell J. Hubbard of Sutherlin visited in Roseburg Monday on business.

From Portland On Business—Paul H. Logan of the regional forester's office at Portland, has been spending the past week looking over "going" forest service timber sales in the South Umpqua territory. Mr. Logan is accompanied by Assistant Forester M. M. Nelson of the supervisor's staff.

Home On Leave—Petty Officer 1c Robert Green, who has been serving with the U. S. navy in England for the last two years, is spending his 30-day leave in Roseburg visiting his parents, Mr. and Mrs. R. T. Green, on East Douglas street. His sister, Mrs. George North Bend, came to Roseburg Friday and remained over the week-end to visit with him. She was joined Saturday by her husband, who accompanied her back to the coast. Mr. Crenshaw, who is manager of a Standard Stations Inc., station at North Bend, is a son of Mr. and Mrs. George Crenshaw, Sr., of Roseburg.
