DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

In the establishment of His kingdom upon earth God has ordained that man shall have a part. Just as the head of a business firm must attend to many matters, such as providing the capital, formulating the policy, and issuing directions. So God does many things Himself in order to carry out His plans. God alone can forgive the sinner and create within a clean heart and a right spirit. But God has entrusted to us many of the details of His work. There are the hungry to be fed, the naked to be clothed, the sick to be visited and the mind of the sinful man to be turned toward his Father's house. God needs our hands, our feet, our voices, our all to carry out His purposes. Many prayers and needs have remained unanswered, because we failed to heed His call and to answer: "Here am I, send me." God's plan is the greatest of all profit-sharing plans. Working with Him, we share His joy here on this earth, and lay up for ourselves treasure in heaven, which no one can take away. We will only be remembered by what we have done in loyal, faithful service for God and man. Amen.

Frequent or scanty passages with smearing and burning sometimes shows there is something wrong with your kidneys or bladder.
