ber, according to Mrs. Donn Radabaugh, manager.

The new film house will have a capacity of 450 persons, and will be fitted with the most modern projection and sound equipment. It is planned as a double feature theater.

The remodelling plans include only the lower floor.

Rennes Captured in Thrust of Americans

(Continued from page 1)

Bradley's columns smashed 32 more German tanks, and more than 800 other staff cars, half-tracks, trucks, motorcycles and buses.

The invasion of France now has rolled into its 59th day with at least 85,000 prisoners among the casualties inflicted on the Germans.

The American drive into Brittany was proceeding so fast and on such a wide front that it had gotten completely ahead of reports. Disorganized Germans are fleeing so precipitously they have no way of really knowing where Lt. Gen. Bradley's hard-hitting troops are.

More than 750 Italy-based bombers attacked German industrial targets at Friedrichshafen near the Swiss border. The Germans said a Britain-based American bombing fleet roared over Bavaria.
