Romania Joins Allies, Strikes at Germans

(Continued from page 1)

the conquest of Transylvania, half of which Hitler awarded to Hungary in the Vienna dictate in 1940, was a major Romanian objective. He summoned all Romania's armed forces to the side of the allies as a co-belligerent and said "we shall cross the frontiers unlustly imposed upon us at Vienna so as to liberate our Transylvania from enemy occupation."

Antonescu was reported to have fled to Germany. The new premier, Sanatescu, pledged a "democratic regime." The anti-nazi peasant leader, Juliu Maniu, is a minister without portfolio in the new government.

The Germans appeared to be moving quickly to control the situation in Bulgaria where Turkish reports, a few hours before Mihai's capitulation, pictured the Bulgar government taken from prostrate Greece and Yugoslavia.

Will History Repeat?

Some optimistic prophets in London said there was a good chance for the European war to end before Oct. 1 on the basis of the Romanian switch. In 1918, Bulgaria was the German keystone in the Balkans, just like Romania was in this war. The allied offensive through Salonika knocked out Bulgaria in 1918 just as the German situation on the western front became critical. On Sept. 29, 1918, Bulgaria signed an armistice and the German high command decided to sue for peace. The appeal went to President Wilson and 42 days after Bulgaria quit, the war was over.

Ludendorff wrote later that the Balkan crackup "sealed the doom" of the central powers because they could not simultaneously reinforce two separated and critical fronts. This time, Germany is in a far worse predicament. There are critical fronts in all directions.

Russians Advance in Romania to Oust Nazis

(Continued from page 1)

handle traffic for a new retreat.)

One Russian objective is Krakow, the mother city of Poland, her ancient capital and a great industrial center of a quarter million persons. The Germans offered stiff resistance, Red Star said, behind well prepared steel and concrete forts.

In the middle Baltic republics, the Red army appeared to have withstood the latest German tank drive. The Russians maintained their pressure on Riga from the east and south.

No fresh reports came from the Warsaw front where other Soviet armies were besieging the city for the 25th day. News also lacking from the East Prussian front, the eastern boundary of which was reached last week.

Legion Chief Predicts Germany K. O. in 60 Days

PORTLAND, Aug. 24—(AP)—The United States is going to win the war against Japan "sooner than we expected," Warren Atherton national commander of the American Legion, predicted here yesterday, "providing we keep up the stream of supplies."

"The more supplies we have than the axis, the shorter the war will be." He predicted the defeat of Germany within 60 days and the surrender of Japan within a year.

Allies Congratulated by King George on Victory

LONDON, Aug. 24. (AP)—King George today telegraphed General Eisenhower:

"To you and all in the allied expeditionary force I sent my warmest congratulations on the glorious victories already gained in France. All my peoples will join me in thanking God for the outstanding success vouchsafed to allied arms."

HERE'S HOW TO MAKE MARVELOUS PEAR JAM

Save Sugar and Fruit with This Quick, Easy Recipe

- 3¼ Cups Ground Pears
- 4½ Cups Sugar
- ¼ Cup Lemon Juice
- 1 Package M.C.P. Pectin

Wash, peel, and core 2½ pounds fully ripe pears; grind fruit. Measure **exactly** 3¼ level cups of the ground pears (add water to fill last cup, if necessary) into a large kettle. Add the M.C.P. Pectin and lemon juice, stir well and bring to a boil, stirring constantly. NOW, add the sugar (which has been previously measured), continue stirring, and bring to a full rolling boil. BOIL EXACTLY 4 MINUTES. Remove from fire, let the boil subside, stir and skim by turns for 5 minutes. Pour into sterilized jars, allowing ½-inch space for sealing with fresh paraffin.
