There's an oar here for YOU!

It's a lifesaving job, all right! And the lifeboat must be manned by us civilians on the home front.

There are lives of refugee Chinese and Greek children to be saved. There are lives of our own servicemen's children here at home to be sustained and cared for.

There are comfort and cheer to be given to war prisoners.

There is entertainment to be provided for our fighting men abroad through the U.S.O. Camp Shows.

All these needs and many more, at home and abroad, must be covered by your one gift this year to your local Community War Fund.

So take up your oar and give. Give more than you gave last year.
