DAILY DEVOTIONS
DR. CHARLES A. EDWARDS
There are times when all of us want to have our strength renewed. When the chaplain at the United States naval hospital had prayed for an injured aviation pilot, all was quiet for a moment. Then the pilot was heard praying for the chaplain, his doctor, his nurse, and flying comrades. When we pray like that to the Heavenly Father, He is always present and ready to strengthen us. A veteran in the hospital of the Dutch Reformed faith, may never walk again. Yet he always says after hearing the Word of God: "It is wonderful, so wonderful." How much longer he will have to wait for peace no one knows, but God who sees the prayer of his tortured lips will not allow him to suffer needlessly. The seaman who fell sixty feet from his perch while at sea with head still wrapped in bandages is ever alert when the chaplain prays for him. When we are weak and weary, God strengthens us with His presence. "They that wait upon the Lord shall renew their strength. Amen."

Home-type Kitchen Craft Flour gives finer results in all home baked foods

Kitchen Craft is light-bodied: It mixes smoothly and quickly with other home-type ingredients to give fine even texture in all your home baked foods.

Kitchen Craft is properly milled: Retains desirable moisture in your pastries, cakes and breads in spite of the drier heat of home ovens.

Kitchen Craft is dependably uniform: Absorbs the same amount of water each time — so you can follow your recipes to the letter, without change.

Your home-size recipes aren't the same as big-batch bakers use. Your ingredients are different, too. You use home-type shortening and baking powder.

For perfect results, now try a home-type flour — Kitchen Craft! Made especially for home baking, this top quality flour gives you cakes, pies and breads of mouth-melting delicacy and goodness. Adds important health values to your baked foods too because Kitchen Craft is enriched with B vitamins and iron.

Get a sack of home-type Kitchen Craft Flour and try it in your favorite recipes. If it fails to please you in any way, return the unused portion to your grocer and get all your money back!

A Loss is a Loss No Matter What the Cause

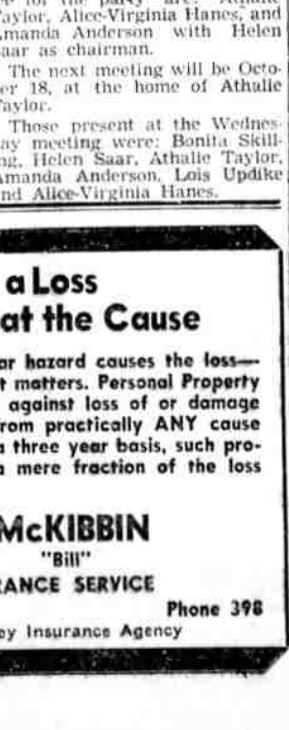

It matters little which particular hazard causes the loss—it is the financial loss itself that matters. Personal Property Floater Insurance protects you against loss of or damage to your personal possessions from practically ANY cause ANY where at ANY time. On a three year basis, such protection is most economical—a mere fraction of the loss against which it protects.
