Public Warning!

BEWARE OF PIN-WORMS

Warlike living conditions may be the cause of spreading Pin-Worm infection. Scientific reports in many communities have shown at least one-third of the examined children and grown-ups to be victims of Pin-Worms—often without knowing it.

Watch out for the warning signs that may mean Pin-Worms. A sore throat, the burning, itchy, excruciating anal itch, the uneasy stomach, bed-wetting, nervous fidgeting, dainty appetite.

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

Howard Chandler Christy, the American artist, is planning a great canvas. It is to portray the nations at the peace table. Seated around a colossal table are representatives of the nations of the earth. At the head stands the Christ in the light of His glory. All look to Him, the Light of the World, and every face is illumined. Yes, Christ must be at the peace conference, if the conference is to mean peace. Too long have men believed that Christ's teachings are irrelevant idealism. Too long have we hidden the light under a bushel. It must become the light that enlightens the world. Jesus thought in world terms. He had a world mind, a world heart, a world will. He is the savior of the world. The peoples of the world must choose between international collaboration in which lies the possibility of enduring peace and isolationism, in which lies the certainty of continuing war. As Christians we reject isolationism which subordinates the well being of the world to national self-interests and denies the Christian doctrine that all men are children of one Father and members of one family. Amen.
