A lot to do with Apples!

NO ONE NEEDS a recipe to enjoy a good eating apple, whether the occasion be Halloween or just any day at all. But for apples that are better when cooked, here are appetizing suggestions.

GLAZED BAKED APPLES
(These are the kind you get in fine restaurants—but there's nothing complicated about preparing them): Wash 6 large baking apples, remove blossom ends, and core about 2 inches deep. Fill each cavity with 1 or 2 tbsps. sugar, dash of cinnamon and nutmeg. Place in baking dish, with small amount of water. Bake in moderate oven (375° F.) about 45 minutes. Make syrup of 1 cup sugar and 1 cup water; boil 5 minutes. Remove cover for last 15 minutes of baking, and baste frequently with syrup. Serve warm or cold, with cream or chilled custard sauce.

And if you like apple sauce in full, crystal-clear pieces, then try this recipe for

TRANSPARENT APPLE SAUCE
Wash 6 medium-size cooking apples, pare, quarter, remove cores. Place apples in saucepan; add 1 1/2 cup water. Top with 1 1/2 cups sugar. (1/4 tsp. nutmeg and 1/2 tsp. cinnamon may be added.) Do not stir. Cover; cook slowly without stirring until apples are tender and transparent (about 20 to 30 minutes). Cool with cover on.

To go with roast pork or ham, surprise your family with

CATSUP APPLES
Core, but do not peel cooking apples. Cut in half crosswise, and place in baking dish, cut side up. Top each half with 1/2 tsp. catsup and 1/2 tsp. butter or margarine. Add enough water to cover the bottom of the dish. Bake in moderate oven (350° F.) for about 30 minutes. Just before serving, turn the cut sides of the apples down, to absorb the juice.
