This promises to be one of the very finest programs of the entire year and the officers are especially anxious that every member enjoy the occasion.

Mrs. Ella Fenley and Mrs. J. B. Riddle will be joint chairmen of the hostess committee and will be assisted by Mrs. George K. Quine, Mrs. K. D. Lytle and Mrs. J. E. Sawyers.

PINK AND BLUE SHOWER IS ENJOYABLE AFFAIR

CAMAS VALLEY — On Sunday afternoon Mardella Packard and Lorine Perry gave a pink and blue shower honoring Mrs. Bud Allen at the Perry's attractive home in upper Camas.

The important part of the decorations was a large baby doll dressed in the old-fashioned dress and bonnet that Mrs. Milton's mother wore as a baby. The dress was a long dress, made entirely of many tucks and embroidered ruffles. The doll sat in the basket that was filled with many lovely gifts. After the gifts were opened and admired, refreshments were served to the following: Mrs. Phil Packard, Mrs. Ralph Beamer, Mrs. Harry Boyle, Mrs. John Thrush and children, Mrs. Ed Dahl, Mrs. Cecil Perry, Mrs. Ell Thrush, Mrs. Roger Ham, Mrs. Allen, the guest of honor, and the hostesses, Miss Packard and Miss Perry.

News of 4-H CLUBS

A new club organized this past week was a Cooking club in Yoncali with Mrs. Edith Ireland as leader. Officers are Donna Lloyd president, Beverly Lunney vice-president and Shirley Highley secretary. There are thirteen girls in the club.

Two other clubs were organized in the Lookingglass district. A sewing club elected Joyce Morgan president, Carmen Dycert vice-president, and Donna Bolling secretary. There are 16 girls in the club. The other club, a back-cloth sewing club for boys elected Harvey Buckle president, Edward Payne vice-president, and Carl Ellenwood secretary. Eleven boys have enrolled for the project. Mrs. A. A. Jacoby will serve as leader for both clubs.

An Arts and Crafts club was organized last Thursday in the South Deer Creek school. Evelyn Hunter is the president, Dorothy Hunter vice-president and Ila Jones secretary. Mrs. Rose Kelly, teacher in the South Deer Creek school, will act as leader.

A health club made up of 26 members was organized in the Lookingglass school this past week. Lois Morgan is president, Carol Barter vice-president and Carl Ellenwood secretary. Mrs. Pennie, teacher in the Lookingglass school, is leader. To date, five clubs have been organized in the Lookingglass school. These include two clothing clubs, two health and one marketing.

The woodworking, clothing and health clubs in the Tennille school held their regular meeting Friday, Oct. 27. The boys in the woodworking club are making cactus plant holders to be given as Christmas presents. These are cut out of scrap plywood and are made in shape of various animals. The girls clothing club has been working on various articles to be used in the school's Halloween party. The health club has been studying body building and proper care of teeth. Keith Coats and Bob Enders drew blackboard illustrations of body building and Donald Nuzen led the discussion. Roy Roberts played several violin selections during the meeting.

The second meeting of the Cooking I club of Sutherland was held in the Art building Wednesday, Oct. 25. The 4-H busy bee cooking club was selected as the name. Club members received their record books and talked over record keeping. Miss Viola Atropis, leader of the club, reported the next meeting date to be Nov. 8.

War Chest Short SALEM, Ore., Oct. 30 (AP)—Oregon's war chest looks less than \$314,000 for its \$2,484,447 goal.

Weekend reports brought the total contributions to \$2,171,121.35, Executive Secretary I. S. McSherry said.

Veteran at 15

Mr. and Mrs. William Haddon of Chicago are pictured giving a joint welcome to their son, Gerald, who, at the age of 15, is a Coast Guard veteran of 13 landings on the Normandy coast. Gerald is returning to civilian life and school.

NEWS OF OUR MEN...WOMEN IN UNIFORM

Word has been received by Mr. and Mrs. H. A. Siefert, 453 Ellis street, Roseburg, from their son, Sergeant Henry F. Siefert, who is a radio operator with the 35th Infantry division, that this unit largely helped to break the back of German resistance in Normandy after smashing down the center of the Cherbourg peninsula. Sergeant Siefert formerly lived at Riddle and was graduated from Riddle high school.

Bill McLain, fireman first class, resident of Roseburg, is stationed at Camp Bradford, Va., where he has been assigned to the crew of a troop landing ship (LST) and is receiving the training necessary for operation of this type of vessel which lands assault troops and equipment onto enemy beach-heads. He has a brother, Delbert, in the Seabees, and a sister, Ardene, in the WAVES.

Kenneth Chilson, son of B. F. Chilson, Roseburg, has been appointed in charge of the torpedo division of the Fleet Service school at Norfolk, Va., according to word received by his father. Chilson, chief torpedo man, will complete 20 years of service in the navy Dec. 1 and will be able to go on the retired list following the war. He recently returned from a mission which he reported he had "expected would be too big" for him. Prior to his last combat mission he was an instructor at Norfolk school. A brother, Bob, is in the South Pacific.

Electric Fishing Rod Saves Trapped Trout in Colorado

(By ROBERT E. GEIGER) AP Newsfeatures Writer DENVER — A new electrical fishing pole makes trout jump, figuratively speaking, from the deepest hole into a fisherman's basket.

Any fisherman could catch all of the fish the law allows, if he cared to but the new "automatic" pole has a more practical use. The Colorado fish and game department uses it to capture fish that have been trapped in irrigation ditches as the water drains from them at the end of the irrigation season. These trout otherwise would die.

The automatic pole consists of two iron spikes. One spike is driven into the ditch bank, near where fish may be trapped in a hole.

The other pole, insulated at the handle, is held by the operator. He plunges it into the water and moves it around the bottom.

Electricity is turned on and the pool becomes charged. All trout in the water are shocked and momentarily stunned. They pop to the surface, unconscious, and are picked up and returned to the running waters of nearby streams. They regain consciousness and the experience does them no permanent injury.

Cleland Faust, director of the fish and game department, says the "shocker" saved Colorado at least a ton of fish this year.

"The device has another use," he says. "It is used to capture fish from the deep holes of Colorado's most popular fishing streams. The larger fish are tagged and placed back in the water."

"Fishermen catching the tagged fish are asked to send us a report. In this way we can tell something about the movements of fish in streams. This information is very important and helps to make our fish planting operations more effective."

"Cruellest Jap" Bagged By Filipino Guerrillas

WITH GUERRILLA FORCES OF INTERIOR LEYTE, Oct. 30. (Delayed)—(AAP)—The most hated Japanese of Burauen, a Maj. Namba, was killed by guerrillas today and it called for a celebration.

"Namba abused our people," said the guerrilla leader, a 40-year-old native, as he proudly displayed Namba's sword to his 400 followers. "He was the cruellest of the lot. The Japs call us bandits but they were the bandits."

The guerrilla bagged Namba along with 50 other Japanese in Tabahanan mountain back of Burauen. He was running frantically for cover when shot.

Christian Science Monitor Lines Up For Gov. Dewey

BOSTON, Nov. 1—(AP)—The Christian Science Monitor, in an editorial stating it had "weighed the issues developed in the presidential campaign," said today it had concluded that "the election of Governor Dewey would better serve the welfare of the United States."

"We have regarded the long cherished unwritten rule of two terms much more seriously than do those who see it merely as a tradition or cynically use it as a smokescreen for partisanship," the editorial added.

"We do not believe that Franklin Roosevelt is going to make himself a dictator. We do believe that anything which brings the people to suppose that the purpose, power and wisdom of the American people can be properly expressed only by one personality weakens the roots of self-reliant self-government."

Managing Editor Erwin Canham said the Monitor had endorsed Wendell Willkie in 1940 but "not as explicitly" as it now backs Governor Dewey.

Cologne Again Blasted By Allied Air Fleets

LONDON, Oct. 31—(AP)—More than 1,000 British and Canadian planes dropped 4,000 tons of bombs last night on Cologne, "the most heavily bombed of German cities," and Mosquitos made two raids on Berlin. Two planes were lost.

Air fields over a wide area of Germany were attacked.

Three Units of Allies Battle Nazis in Italy

ROME, Oct. 31—(AP)—Indian troops of the Eighth army increased the threat to the German stronghold of Forli astride the Rimini-Bologna highway today by throwing a bridgehead across the Ronco river near Meldola, seven miles to the south.

Less than five miles to the southwest Polish troops, who captured the mountain town of Predappio two days ago, ran into strong German positions at Cami-

nato in the hills to the north in the direction of Forli.

In the west coast sector Brazilian troops captured a peak 2,800 feet high against enemy machinegun fire and other Brazilians occupied Caomini, about 15 miles east of Massa.

Restaurants Penalized

PORTLAND, Oct. 31—(AP)—Eleven Klamath Falls restaurants have paid a total of \$4,576.65 to settle overcharges, the OPA announced today.

CHURCHILL looks out for the British!

STALIN looks out for the Russians!

WHO looks out for U. S.?

FOR 12 LONG YEARS we have witnessed the waste, the extravagance, the bureaucratic bungling of the New Deal.

Can an Administration which is so wasteful and inefficient at home be any better abroad?

New Dealer Harry Hopkins, who has been at Candidate Roosevelt's right hand at every international conference, said: "We will tax and tax, spend and spend, elect and elect."

New Dealer Henry Wallace advocates "A bottle of milk a day for every Hottentot"—to be paid for by the citizens of the U. S., of course.

We know that many shortages here at home are intensified by New Deal wastefulness abroad.

Isn't it high time we elected someone to look out for the people of these United States?

GOVERNOR DEWEY stands for international agreements... openly arrived at.

DEWEY stands for a "just and durable peace" protecting the rights of ALL nations.

DEWEY stands for honesty in government.

DEWEY will represent UNITED STATES OF AMERICA, fairly, squarely and aggressively.

Remember Breadlines in Oregon?

It Wasn't So Long Ago, and

"THE LITTLE TOWNSEND" Bill Will Bring BREADLINES Back!

Look at the Facts—

This measure, if adopted, would tax ALL GROSS INCOME—at every step of the way, from raw material to finished product, every commodity produced in Oregon would carry on the price tag a staggering tax multiplied at every step. Oregon products simply could not compete!

See What This Tax Will Do to You!

ON THE FARM IN THE FACTORY

Planting, cultivating, harvesting --- TAXED!—Production of all raw materials

Every step of food processing --- TAXED!—Every step in manufacturing

Insurance and marketing costs --- TAXED!—Insurance and marketing costs

Transportation and retailing --- TAXED!—Transportation and retailing

It All Adds Up to --- RUIN!—For Oregon Farmers & Workers

The cost of living in Oregon would skyrocket; without OPA price controls, no one could afford to buy Oregon products. With price ceilings, almost every wealth producing farm and industry in Oregon would face financial ruin. The Little Townsend Bill would bring breadlines and unemployment back to Oregon!

No One Denies—

that many aged people need help. But no one with a smattering of economic sense would force widespread unemployment in order to provide pensions for everyone over 60, whether they need the money or not.
