

Welcome him when he knocks at your door

THE 6th WAR LOAN STARTS NEXT WEEK

Within the next few weeks in every city, town and hamlet, men and women will be knocking on the doors of American homes. They come in the name of your fighting men, giving their time to take your subscriptions for extra War Bonds.

Welcome them as though they were actual soldiers from the foxholes of the Pacific. Your boys know what cooperation means during a battle—with them, it's a matter of life or death, victory or defeat. Think of this when a volunteer worker knocks on your door. Double your Bond buying during this drive. Buy at least one extra \$100 Bond. Then buy another and another. It's going to take a lot of Bonds to meet the goal of \$14,000,000,000.

Remember that the Japs are firmly united against us. They have 75 million people at home plus many of the 400 million enslaved people in conquered territories working to prolong this war. Japanese industry is strong and modern, and they have the supplies to carry on a long war unless we stop them.

And remember, when you buy a Bond during this drive, you're backing the boys fighting into the heart of the Nipponese strongholds. Buy Bonds with a grateful heart out of an open pocketbook.

TAKE YOUR CHOICE!
